**Gaylord's Badge** Richard Meade, 1976 Donated Gaylords' Triangle, 1921 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 American Historical Fiction Lynda G. Adamson, 1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting Gun, Badge & Cuffs Dr. Richard S. Rhodes, 2011-04-08 The experience of a young Black police recruit while in the academy was assigned to undercover vice assignments on weekends He is taken back by its challenges exciting and adventurous to say the least Graduating from the academy he is permanently assigned to the Vice Squad He describes in vivid detail his experiences in various assignments during his thirty year career from vice to uniform patrol detective and patrol supervisor His incidents include two face to face gun fights car crashes being drugged and pulled from a three story building confrontation with a boa constrictor the riots and many others His body guarding and managing experiences with the late Redd Foxx his experiences in show business etc The book is exciting real and most of all TRUE Described by one critic as a Real Page Turner Gaylord's Badge John Benteen, 2014 Nothing in Sheriff Frank Gaylord's background had ever prepared him for this Pushing forty years of age but still strong and fast with a gun Gaylord truly believed he'd done a good job in Colter County But there was talk behind his back Talk about how he was secretly on the payroll of the Chain Ranch Talk about how he favored the large cattle barons over the small ranchers And now as his re election approached more than Gaylord's job was on the line His honor and the lives of his best friends were in jeopardy as well Sheriff Gaylord had always been an honest lawman but when wealth power and a beautiful woman are dangled in front of him it looks like Gaylord's badge is about to be bought And suddenly Frank Gaylord must meet his most dangerous enemy yet himself Best selling author John Benteen writing as Richard Meade **Streets of Fire** Thomas H. Cook, 2011-09-06 At the height of the Civil Rights movement a young girl's murder stirs racial tensions in Birmingham Alabama The grave on the football field is shallow and easy to spot from a distance It would have been found sooner had most of the residents in the black half of Birmingham not been downtown marching singing and being arrested alongside Martin Luther King Jr Police detective Ben Wellman is among them when he gets the call about the fresh grave Under the loosely packed dirt he finds a young black girl her innocence taken and her life along with it His sergeant orders Wellman to investigate but instructs him not to try too hard In the summer of 1963 Birmingham is tense enough without a manhunt for the killers of a black child Wellman digs for the truth in spite of skepticism from the black community and scorn from his fellow officers What he finds is a secret that men from both sides of town would prefer stayed buried **Great American Youth** Mike Scott, 2011-04-04 Based on actual events this soul gripping tale is an account of survival in the urban jungle of Chicago in the 1980s While

embarked on his own street journey Michael Scott enters a world in which a band of brothers are locked in a desperate engagement an Alamo like siege of their hood Amidst turbulent conditions the narrator gives us all a ticket to ride next to him on this roller coaster ride with its twist and turns of horror and frustration suspense and humor Following in the tradition of profound gang tales such as *The Outsiders* and *West Side Story* this must read book goes beneath the hardcore surface to show the struggle of the human spirit St. Nicholas ,1903 **St. Nicholas** Mary Mapes Dodge,1912

**Hunting the Five Point Killer** C.M. Wendelboe,2019-12-20 A retired detective is on the trail of a vicious serial killer in this terrific debut by a skilled writer who ratchets up the suspense New York Times bestselling author Margaret Coel Retired Denver homicide detective Arn Anderson is back in Cheyenne Wyoming a place he d sworn off years ago And while he fixes up his rundown childhood home he finds himself doing something else he never thought he d do teaming up with a TV reporter on a cold murder case But Arn isn t the only one coming out of retirement Ten years ago the Five Point Killer terrorized the American Northwest with a series of brutal murders including three police detectives among his victims Then he disappeared without a trace But now on the anniversary of his crimes he s back to his old sadistic tricks And Arn might be the next investigator who gets too close to the truth A slow burning cold case with copious clues conscientious detection a high body count periodic interruptions from the killer s viewpoint and all the pages and pages of unraveling you d expect from such a generously plotted mystery Kirkus Reviews *The Ghosts of Gaylord* Sean Laighean,2022-07-11 Foreign sponsored terrorist attacks aimed at conquering American communities and US territory have not yet become a reality Such attacks though not probable are unfortunately not impossible Actual events and even fictional stories about terrorism both domestic and foreign are often far removed from American communities and the reality of most people s everyday lives *The Ghosts of Gaylord* challenges that reality by dropping the devastation of such attacks onto an otherwise normal peaceful American community This troubling narrative is told through the actions of people active military and veterans law enforcement and civilian groups who unite and fight to preserve their way of life all while reaffirming their belief in freedom

La Marca,2008 Beginning sometime during the 1960 s a scam of unprecedented proportions hit na ve American collectors of Civil War and Wild West memorabilia a flood of allegedly antique brass and bronze belt buckles purportedly manufactured by the famed Tiffany Company of New York along with other companies such as E Gaylord of Chicopee Falls Massachusetts and Anson Mills started turning up at flea markets gun shows and other venues all across the United States The only problem was neither Tiffany nor the others ever made these

buckles Furthermore they were all of modern manufacture Then in order to further deceive collectors a book Tiffany Gaylord Express Exhibition Belt Plates attributed to Percy Seibert appeared circa 1970 not 1950 as falsely claimed on its copyright page and made all kinds of outlandish claims regarding the history of these buckles That book is being reprinted here with the addition of a preface and an index to assist those who continue to collect these fun but certainly fake antiques This book has been sponsored by the Internet s leading authority on the Bogus Buckles [www.bogusbuckles.com](http://www.bogusbuckles.com)
