Bengal District Gazetteers Bengal (India),1905 The Journal of the Bombay Natural History Society Bombay Natural History Society,1915 **Ranis And The Raj** Queeny Pradhan,2022-10-28 Traditionally history has been telling us the stories of kings In the long tradition of history writing his story has always dominated over her story Though queens evoke a sense of romance and their stories are told like fairy tales it is common enough to find that these stories end in tragedy In India s history not all queens are remembered today Some are celebrated while others have been almost ignored by historians In Ranis and the Raj Queeny Pradhan has selected six queens All the six queens are from the nineteenth century and have faced the British Raj the East India Company and the Crown From the Rani of Sirmur who was the earliest to deal with the British authorities to Rani Chennamma Rani Jindan Begum Zeenat Mahal Rani Lakshmi Bai to the Sikkim Queen from the 1860s to 1890s Pradhan has attempted to carve an engrossing historical narrative for each of these important figures in Indian history Unlike the biographical convention in traditional history writing the research in this book can be placed in the realm of microhistory The life stories of these queens are fragmented due to the silences and invisibilization in political history of the time and this book aims to fill these gaps
