

PRE-MARITAL SEX - Having sex where one or more person is married to somebody else
EXTRA-MARITAL SEX - Having sex where one or more person is married to somebody else
PRE-MARITAL SEX - Having sex before marriage.

Sex expressed a deep loving and life long union that first requires the commitment of marriage
 important to be sexually pure because having sex is part of the loving and trusting relationship which is to be developed in a marriage, not just a casual temporary pleasure.

FOR

Need to know if you are sexually compatible with someone before making the commitment of marriage is enjoyable, if it was shameful "would God make it pleasurable" is a valid expression of love for each other
 long as the two adults are of legal age and are both consenting there is no shame in having sex.

AGAINST

- God created sex for people who are married, the Bible is like an instruction manual so we shouldn't go against it.
- The Bible tells us to 'flee from sexual immorality' and that 'our bodies are the temples of the Holy Spirit' so we should keep them pure.
- It devalues and corrupts the nature of love, obscuring it.
- Sex should only take place within marriage as it is a safe and stable environment.
- Can lead to the spread of STIs

Marital Sex The Bible says 'Thou shalt not commit adultery', it is also unlawful to cheat somebody and the Bible says to 'love thy neighbour' and 'treat others how you wish to be treated'

POLYGAMY

In the Bible there are examples of men practicing Polygamy.
 Jacob, the grandson of Abraham, had multiple wives
 King David known as the greatest King of Israel also had multiple wives.
 However this had its difficulties, David committed adultery and was plagued with sexual immorality.
 The Bible shows through Adam and Eve that God's commands for one woman and one man to be together
 'Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh'
 The Catholic Church forbids polygamy as a grave offense against marriage contrary to the original plan of God and equal dignity of human beings

SAME-SEX PARENTS

Christians disapprove because they believe it is ideal for a child to grow up with both a male and female role model.
 Some say that it is more important for a child to be secure and loving family regardless of the

THE NATURE OF FAMILIES

- Nuclear Family**- A couple and their children.
- Extended Family**- A family that extends beyond the parents and their children, includes aunts/uncles, grandparents, cousins and other relatives.
- Stepfamily**- A family that is formed on the remarriage of a divorced or widowed person that includes a child or children.
- Polygamy**- The practice or custom of having more than one wife at the same time.
- Bigamy**- The offense of marrying somebody whilst already being married to another person.

Family is important because Christians are commanded to love one another, and it is in the family where a child learns to love.
 In Biblical times, many people lived in extended family households.
 Values and traditions would be passed onto children.
 'Honor your father and your mother' Exodus 20:12 is still an important Christian belief today.
 Both parents and children have responsibilities to another. Children are seen as a gift from God as

HUMAN SEXUALITY

- Homosexual**- Being attracted to the same sex/gender.
- Heterosexual**- Being attracted to the opposite sex/gender.
- Bisexual**- Being attracted to both male and female.
- Human Sexuality**- How people express themselves as sexual beings.

AGAINST HOMOSEXUALITY

Man shall not lie with man, that is an abomination'
 Those who are homosexual will not inherit the Kingdom of God'
 Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh'
 Adam and Eve are the prototype for humanity and that is a heterosexual relationship.

FOR HOMOSEXUALITY

- Jesus says 'love thy neighbor' - not condemning their nature
- If God made everyone created them to be...
- The Bible needs to be the time but are not society too

KEY DATES

1835- Sexual Acts between homosexuals made illegal.
 1967- Homosexual acts legal for those over 21, except in the armed forces.
 2000- Homosexuals allowed in the armed forces.
 2004- Civil partnerships recognised in law.
 2013- Same-sex marriage recognised in law.

GENDER EQUALITY

Constant threat that all people have been created as equals in the image and likeness of God.
 Jesus treated women with respect, showed in the story of Mary and Martha (in the Gospels) that women were capable of things other than domestic life.
 emphasized in Ephesians 5:25: 'There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus.'
 Some traditional Christians believe that men are the head of the family and women should follow them.
 For the husband is the head of the church, Ephesians 5:23.
 The Catechism of the Catholic Church teaches that men and women are of different natures. That is because our nature is different, this does not mean we are just that we are designed to perform different functions.
 A lot of beliefs about the role of women have come from Genesis 2:1, verse 2 and on, this has resulted in the belief that a man 'needs' his wife (Gen 2:18)

CONTRACEPTION

Contraception: A way of preventing pregnancy when a couple have sex.
 Different forms of artificial contraception- Pills, injection, spermicidal jelly, coil, sterilisation, condoms.

FOR	AGAINST
<ul style="list-style-type: none"> Prevents the spread of STIs/STDs Gives women control over their own bodies Not all families can afford to have more children but may still want to express their love through sexual intercourse. 	<ul style="list-style-type: none"> Sexual intercourse is for procreation so it is wrong to take away the purpose of sex. It prevents God's plan. Can encourage dishonesty and infidelity.

DIVORCE AND RE-MARRIAGE

FOR	AGAINST
<ul style="list-style-type: none"> Being in an unhappy marriage can lead to resentment- it is more loving to end it. Sometimes people grow apart and change, they should not be forced to stay in an unhappy marriage. In the Bible (Deuteronomy 24) Moses explains how a divorce can be permitted. 	<ul style="list-style-type: none"> In the Bible, Jesus taught that anyone who divorced and remarried was committing adultery. 'If she divorces her husband and marries another man, she commits adultery' By divorcing you are breaking the promise you made in front of God. Marriage is a lifelong union, divorce breaks this. So they are no longer two, but one flesh. Therefore what God has joined together, let no one separate. People having problems in their marriage should seek a Christian

ANNULMENT

The Catholic church teach divorce cannot dissolve a marriage between two baptised, marriage is a permanent union in God's sight. However, under certain circumstances where it is deemed that the never valid in the first place the conditions:
 1. It was not consummated (intercourse has not taken place)
 2. One could not freely consent (forced, under duress)
 3. One was already married to someone else
