having that career in law enforcement The many gruesome and violent crimes he investigated took their toll on his health and psyche Realizing what his lifelong career had done he had to find an avenue to allow him to keep associated with his work without the trials and tribulations of the job Knowing it was a risk to get out of investigations he pursued a position with the US Army Protective Services Unit This action would allow him to continue working until retirement This decision caused him to leave investigations but to stay in the job until his retirement At the end the US Army did offer him a chance to return to criminal investigations but he turned them down and retired He moved to Sun City Center Florida where he enjoys spending time with his wife of thirty five plus years Elda traveling throughout the United States and other parts of the world with her and reading the many books accumulated over the years *Riverace...
