Good Government In The Tropics The Johns Hopkins Studies In Development:

Good Government in the Tropics Judith Tendler, 1997 In *Good Government in the Tropics* Judith Tendler questions widely prevailing views about why governments so often perform poorly and about what causes them to improve Drawing on a set of four cases involving public bureaucracies at work under the direction of an innovative state government in Brazil the book offers findings of significance to the current debates about organization of the public sector workplace public service delivery decentralization and the interaction between government and civil society The case chapters represent four different sectors each traditionally spoken for by its distinct experts literatures and public agencies rural preventive health small enterprise development agricultural extension for small farmers and employment creating public works construction and drought relief With findings that cut across these sectoral boundaries the book raises questions about the policy advice proffered by the international donor community It shifts the terms of the prevailing debate away from mistrust of government toward an understanding of the circumstances under which public servants become truly committed to their work and public service improves dramatically The traditional focus on trying to eliminate rent seeking by reducing the state's role has made a contribution but lost much of its charisma Theoreticians and practitioners alike are looking for new ideas and Tendler offers a quite intriguing set of them The cases demonstrate surprising counter intuitive results that will be of interest even to those with little substantive interest in the particular setting described Theoretical novelty and elegant use of evidence combine to make this book a clear winner Peter Evans University of California at Berkeley *World Development Report 1997*, 1997 This is the twentieth in the annual series assessing major development issues The report is devoted to the role and effectiveness of the state what it should do how it should do it and how it can improve in a rapidly changing world Governments with both centrally planned and mixed economies are shrinking their market role because of failed state interventions This report takes an opposite stance that state's role in the institutional environment underlying the economy that is its ability to enforce a rule of law to underpin transactions is vital to making government contribute more effectively to development It argues against reducing government to a minimalist state explaining that development requires an effective state that plays a facilitator role in encouraging and complementing the activities of private businesses and individuals The report presents a state reform framework strategy First focus the state's activities to match its capabilities and second look for ways to improve the state's capability by re invigorating public institutions Successful and unsuccessful examples of states and state reform provide illustrations **International Handbook on the Economics of Corruption** Susan Rose-Ackerman, 2007-01-01 This collection of articles offers a comprehensive assessment of the subtle but nevertheless pervasive economic infrastructure of corruption It provides suitable core or adjunct reading for law school graduate and undergraduate courses on international economics international relations and international law American Society of International Law This exhaustive collection edited by Rose Ackerman cannot be called anything but excellent Overall a

wonderful addition to the literature Highly recommended C J Talele Choice Susan Rose Ackerman is a world class economist and an authority on the economics of corruption This is a fine reference volume that every economist interested in this important subject will want to have as a ready reference Jagdish Bhagwati Columbia University US Economic research on corruption aims both to isolate the economic effects of quid pro quo deals between agents and third parties and to suggest how legal and institutional reforms might curb harms and enhance benefits In this comprehensive Handbook top scholars in the field provide specially commissioned essays both theoretical and empirical exploring both types of research The Handbook begins with an introductory essay by the editor followed by two chapters written by leading exponents of cross country research However the focus of the Handbook is on research at the micro level where policy can be made and evaluated These microeconomic studies fall into several overlapping categories The first group includes studies that link corrupt incentives to institutional structures particularly the organization of the state The second draws implications from surveys of households or businesses and from controlled experiments The third concentrates on particular sectors such as education tax administration public works customs services and pharmaceuticals Finally two chapters assess corruption in the transition away from socialism in Europe and Asia

Beyond Collective Action Problems Atul Pokharel, 2024-02-16 In *Beyond Collective Action Problems* Atul Pokharel argues that sustained cooperation depends on user perceptions that the cooperative arrangement is fair Pokharel elaborates a different way to think about sustained cooperation over decades based on a follow up of 233 long running community managed irrigation systems in Nepal As he shows the longer individuals cooperate the more they become aware of how far their cooperative arrangement has diverged from the initial promise of fairness This perception of fairness affects their commitment to maintaining the shared resource and participating in the institutions for governing it

Public Sector Reform in Developing and Transitional Countries Christopher Rees, Farhad Hossain, 2013-09-13 Over recent decades decentralization has emerged as a key Public Sector Reform strategy in a wide variety of international contexts Yet despite its emergence as a ubiquitous activity that cuts across disciplinary lines in international development decentralization is understood and applied in many different ways by parties acting from contrary perspectives This book offers a fascinating insight into theory and practice surrounding decentralization activities in the Public Sectors of developing and transitional countries In drawing on the expertise of established scholars the book explores the contexts achievements progress and challenges of decentralization and local governance Notably the contributions contained in this book are genuinely international in nature the chapters explore aspects of decentralization and local governance in contexts as diverse as Ghana Hong Kong India Indonesia Kazakhstan Morocco Tanzania Uganda and Viet Nam In summary by examining the subject of decentralization with reference to specific developing and transitional Public Sector contexts in which it has been practiced this book offers an excellent contribution towards a better understanding of the theory and practice of decentralization and local governance in international settings This book was

published as a special double issue of the International Journal of Public Administration *The Withering of the Welfare State* J. Connelly, J. Hayward, 2012-02-07 Since the 1970s the public commitment to social solidarity between citizens through comprehensive provision of welfare has been eroded by the imperatives of international markets In this volume the problems posed to public intervention are analyzed The contributors compare and evaluate how different countries have dealt with these challenges *The Promise and Limits of Private Power* Richard M. Locke, 2013-04-22 This book examines and evaluates various private initiatives to enforce fair labor standards within global supply chains Using unique data internal audit reports and access to more than 120 supply chain factories and 700 interviews in 14 countries from several major global brands including NIKE HP and the International Labor Organization's Factory Improvement Programme in Vietnam this book examines both the promise and the limitations of different approaches to actually improve working conditions wages and working hours for the millions of workers employed in today's global supply chains Through a careful empirically grounded analysis of these programs this book illustrates the mix of private and public regulation needed to address these complex issues in a global economy **Asian Politics in Development** Robert Benewick, Marc Blecher, Sarah Cook, 2004-08-02 Chapter Introduction chapter Social Politics the State Policy Comparison Gordon White's Contribution to China Studies chapter Gordon White and Development Studies An Appreciation chapter Reform and the Role of the State in China chapter Managing Central Local Relations During Socialist Marketisation A Changing Role for the Chinese Communist Party chapter Treasuring the Word Mao Depoliticisation and the Material Present chapter State Enterprise Reform and Gender One Step Backwards for Women chapter Corporatist Capitalism The Politics of Accumulation in South India chapter Bias and Capture Corruption Poverty and the Limitations of Civil Society in India chapter Between Cant and Corporatism Creating an Enabling Political Environment for the Poor chapter State Entrepreneurship and Community Welfare Services in Urban China chapter Creating Wealth and Welfare Entrepreneurship and the Developmental State in Rural China chapter Can Welfare Systems be Evaluated Outside Their Cultural and Historical Context A Case Study of Children's Homes in Contemporary Japan chapter The East Asian Welfare States in Transition Challenges and Opportunities chapter Is Globalisation All It is Cracked Up to Be chapter Globalisation Privatisation and China's Industrial Labour Systems chapter Bibliography of Gordon White's Works chapter Notes on Contributors *Rental Housing*, 2003 Planning and Decentralization Victoria A. Beard, Faranak Miraftab, Christopher Silver, 2008-06-04 The first in depth study of the impact of economic and political decentralization on planning practice in developing economies this innovative volume using original case study research by leading experts drawn from diverse fields of inquiry from planning to urban studies geography and economics explores the dramatic transformation that decentralization implies in responsibilities of the local planning and governance structures It examines a range of key issues including public and private finance local leadership and electoral issues planning in post conflict societies Offering unique insights into how planning has changed in specific countries paying

particular attention to South East Asian economies India and South Africa this excellent volume is an invaluable resource for researchers graduate students and planners interested in urban planning in its international political and economic context

Access to Power Ijlal Naqvi,2022 Pakistan s power sector s woes are less mystery than tragedy but to conclude simply that a weak state produces poor governance outcomes misses the manner in which these arrangements are important to reproducing existing relations of domination and are resistant to change The question this book addresses therefore isn t just about why Pakistan doesn t produce enough power

Local Politics in Jordan and Morocco Janine A. Clark,2018-04-03 In recent years authoritarian states in the Middle East and North Africa have faced increasing international pressure to decentralize political power Decentralization is presented as a panacea that will foster good governance and civil society helping citizens procure basic services and fight corruption Two of these states Jordan and Morocco are monarchies with elected parliaments and recent experiences of liberalization Morocco began devolving certain responsibilities to municipal councils decades ago while Jordan has consistently followed a path of greater centralization Their experiences test such assumptions about the benefits of localism Janine A Clark examines why Morocco decentralized while Jordan did not and evaluates the impact of their divergent paths ultimately explaining how authoritarian regimes can use decentralization reforms to consolidate power Local Politics in Jordan and Morocco argues that decentralization is a tactic authoritarian regimes employ based on their coalition strategies to expand their base of support and strengthen patron client ties Clark analyzes the opportunities that decentralization presents to local actors to pursue their interests and lays out how municipal level figures find ways to use reforms to their advantage In Morocco decentralization has resulted not in greater political inclusivity or improved services but rather in the entrenchment of pro regime elites in power The main Islamist political party has also taken advantage of these reforms In Jordan decentralization would undermine the networks that benefit elites and their supporters Based on extensive fieldwork Local Politics in Jordan and Morocco is an important contribution to Middle East studies and political science that challenges our understanding of authoritarian regimes survival strategies and resilience

Developing Poverty Jose Itzigsohn,2010-11-01 Using data from local surveys interviews and rational statistics this is a comparative study of two Central American cities similarly positioned in the world economy It explores how development and state policies have affected the lives of people working in the informal economy

Social Policy Reform and Market Governance in Latin America L. Haagh,C. Helgø,2002-12-10 This collection offers a critical analytical perspective and fresh empirical data on recent market orientated social policy reforms in Latin America The six case studies presented examine labour education health and general social development programmes A particular focus is placed on the ways in which market enhancing reforms such as demand based provision social policy targeting and privatization respond to issues of equity coverage and the quality of provision

The Handbook of Social Capital Dario Castiglione,Jan W. van Deth,Guglielmo Wolleb,2008-04-17 Social capital is a relatively new concept in the social sciences In the last twenty or so

years it has come to indicate that networks of social relationships represent a resource for both the individual and society since they provide support for the individual and facilitate collective action. Although this is not an entirely new idea, the more systematic way in which social capital captures such an intuition has created a new theoretical paradigm and helped to develop a series of innovative research programmes in politics, economics and the study of human well-being. The concept has gained currency beyond academia, extending its influence to political and policy-making circles at local, national and international levels. It has also affected the way in which social surveys are conceived and public policies assessed. As the idea of social capital has spread, the literature about it has increased exponentially. After twenty years of rapid expansion, it is time for a more considered and critical assessment of how the original concept has been adapted and refined and how successful its application has been. The Handbook of Social Capital intends to do precisely that. It offers a state-of-the-art view of discussions about the concept of social capital and the way in which it has been applied in empirical research. The organization of the Handbook reflects this intention by focusing on conceptual development and analysis in the first part, by identifying two main areas of research in which social capital has favoured the development of new and influential research programmes: political participation in democratic societies and economic development, and by exploring the more normative and policy-oriented consequences of social capital. All chapters comprising the volume were specifically written for the Handbook by some of the main experts in the fields. The book provides an authoritative and innovative introduction to the study of social capital.

Social Development in Latin America Joseph S. Tulchin, Allison M. Garland, 2000. This volume provides a wide-ranging analysis of social welfare reform in Latin America, examining in particular the politics involved in implementing difficult and controversial social policies that often pit the middle strata of society represented by powerful stakeholders against the poor.

Pockets of Effectiveness and the Politics of State-building and Development in Africa Sam Hickey, 2023-07-03. This is an open access title available under the terms of a CC BY-NC-ND 4.0 International License. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. Why do certain parts of the state in Africa work so effectively despite operating in difficult governance contexts? How do pockets of bureaucratic effectiveness emerge and become sustained over time? And what does this tell us about the prospects for state building and development in Africa? Repeated economic and social crises have demanded that development thinkers and policy actors have had to engage with the critical role that states play in delivering development. *Pockets of Effectiveness and the Politics of State building and Development in Africa* shows that politics is the driving factor that shapes how well state agencies perform their roles. It deploys a new conceptual framework, the power domains approach, to explore the shifting fortunes of key state agencies in five countries: Ghana, Kenya, Rwanda, Uganda and Zambia over the past three decades. Our original research reveals when and why political rulers decide to build effective state agencies and enable them to deliver certain forms of economic development, often through forming strategic coalitions with senior bureaucrats.

and with international support and also when this support falters and gives way to a politics of survival Comparative analysis identifies two potential trajectories towards state building in Africa each shaped by different configurations of social and political power The book critiques the role that international development agencies have played in mis shaping the state in Africa and suggests a new strategic agenda for building the state capacities required to deliver sustained development at the current juncture The book closes with critical commentaries from two leading scholars in the field to help place our work in context and establish the next steps for research and strategy in this increasingly important area of development theory and practice **Unlocking The Human Potential For Public Sector Performance World Public Sector Report 2005**

United Nations,2006 The conditions of globalization including economic integration fiscal discipline introduction of information communications technologies and democratic governance have increasingly forced states to redefine their role in public management and to reform the public administration system However there is growing realization among decision makers that policy and institutional reform per se will not be sufficient to revitalize the public sector Major strengthening of the knowledge skills values attitudes and leadership abilities of human capital is also needed to transform the public sector particularly in developing countries and countries with economies in transition This year s report is expected to contribute to global and national debates on this topic Publisher s description **Development Theory and Practice in a Changing**

World Pádraig Carmody,2019-04-09 Taking a critical and historical view this text explores the theory and changing practice of international development It provides an overview of how the field has evolved and the concrete impacts of this on the ground on the lives of people in the Global South Development Theory and Practice in a Changing World covers the major theories of development such as modernisation and dependency in addition to anti development theories such as post modernism and decoloniality It examines the changing nature of immanent structural conditions of development in addition to the main attempts to steer them imminent development The book suggests that the era of development as a hegemonic idea and practice may be coming to an end at the same time as it appears to have achieved its apogee in the Sustainable Development Goals as a result of the rise of ultra nationalism around the world the increasing importance of securitisation and the existential threat posed by climate change Whether development can or should survive as a concept is interrogated in the book This book offers a fresh and updated take on the past 60 years of development and is essential reading for advanced undergraduate students in areas of development geography international studies political science economics and sociology **Governance, Management and Development** David Hulme,Mark Turner,Willy McCourt,2015-07-20 This

fully revised edition of the same authors Governance Administration and Development is the ideal introduction to public management and the policy process in developing countries With a new chapter on issues of law and order it also covers current debates on civil society aid and intervention and the relationship of states and markets

Decoding **Good Government In The Tropics The Johns Hopkins Studies In Development**: Revealing the Captivating Potential of Verbal Expression

Good Government In The Tropics The Johns Hopkins Studies In Development Introduction

Good Government In The Tropics The Johns Hopkins Studies In Development Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Good Government In The Tropics The Johns Hopkins Studies In Development Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Good Government In The Tropics The Johns Hopkins Studies In Development : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Good Government In The Tropics The Johns Hopkins Studies In Development : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Good Government In The Tropics The Johns Hopkins Studies In Development Offers a diverse range of free eBooks across various genres. Good Government In The Tropics The Johns Hopkins Studies In Development Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Good Government In The Tropics The Johns Hopkins Studies In Development Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Good Government In The Tropics The Johns Hopkins Studies In Development, especially related to Good Government In The Tropics The Johns Hopkins Studies In Development, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Good Government In The Tropics The Johns Hopkins Studies In Development, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Good Government In The Tropics The Johns Hopkins Studies In Development books or magazines might include. Look for these in online stores or libraries. Remember that while Good Government In The Tropics The Johns Hopkins Studies In

Development, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Good Government In The Tropics The Johns Hopkins Studies In Development eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Good Government In The Tropics The Johns Hopkins Studies In Development full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Good Government In The Tropics The Johns Hopkins Studies In Development eBooks, including some popular titles.

FAQs About Good Government In The Tropics The Johns Hopkins Studies In Development Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Good Government In The Tropics The Johns Hopkins Studies In Development is one of the best books in our library for free trial. We provide a copy of Good Government In The Tropics The Johns Hopkins Studies In Development in digital format, so the resources that you find are reliable. There are also many eBooks related to Good Government In The Tropics The Johns Hopkins Studies In Development. Where to download Good Government In The Tropics The Johns Hopkins Studies In Development online for free? Are you looking for Good Government In The Tropics The Johns Hopkins Studies In Development PDF? This is definitely going to save you time and cash in something you should think about.
