**The Good Man** A. S. Kelly, 2021-12-08 Once upon a time there was a solitary grumpy man who would spend his days watching the world around him without ever attracting any attention to himself Once upon a time there was a man who stood aside imagining he could live someone else's life and dreaming of something which would never be his yet he wasn't ready to give it up Once upon a time there was a man who loved a woman His only wish was to watch her achieve her dreams without knowing that the only dream she ever wanted to achieve was him Once upon a time there was a woman afraid that no one would ever be able to love her without knowing that there was a man who had loved nothing but her for his entire life That man is me Reid Johnson And that woman is her my deepest secret Fine so I have a few secrets but it would be best not to reveal them as they could take everything I have away from me And without those secrets I'd have nothing to dream of There are two things you should know about me before deciding whether or not to read this story I've never been the person everyone thinks I am I've never been the man she believes me to be Each book in the series is standalone The Best Man The First Man The Good Man The Only Man The Wrong Man The Lost Man Keywords romantic fiction romance contemporary romance women's fiction contemporary women humour rom com disabled character single mom romance grumpy sunshine romance small town romance friends to lovers romance family sagas sagas **The Good Man's Daughter** Roger

Stokes, 2011 1244 Why would two hundred men and women walk joyfully towards the flames that will consume them And what was the treasure they left behind Set in medieval France after the bloody persecution of the Cathars by the Catholic church The Good Man's Daughter is the story of Elouise and her love for the three men in her life her father Jean a Cathar preacher Michel a shepherd and life long friend and Guillaume the young knight who becomes her lover The story unfolds a generation after the destroying army has left the region and the few remaining Cathars are living in peace amongst the hills and valleys of the Languedoc But their lives change when an corrupt priest begins a new campaign of persecution against the heretics Jean is captured and imprisoned and Elouise must seek sanctuary at the Chateau Roc Torn between her faith and her feelings she must decide whether survival is reason enough for living As events lead to a dramatic climax at the Chateau the secret of the Cathar treasure is revealed This debut novel by Roger Stokes is a masterful blend of authentic history and human drama and will appeal to fans of historical fiction who enjoy a great human story set against a background of dramatic and accurate historical events Platonistic and Disenchanting Theories of Ethics Hugh Storer Chandler, 2007 Original
