Good News For Marriage A Biblical Perspective:

Good News for Marriage Stuart, Mark, D'Esta Love, 1987-07-01

Good News for Women Rebecca

Groothuis, 1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional proof texts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In Good News for Women Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book Good News for Women shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist proof texts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today **Biblical Counsel**, 1993 **A New Vision, a New Heart, a Renewed Call** David Claydon, 2005

The purpose of the book is to revitalize the essentials of Christian living in a way God wants us to be especially when the bible based moral values and the absolute truths to establish the meaning of life were degraded and whitewashed in this postmodern world. At this juncture it is a definite need to search for hidden and forgotten Judeo Christian values that define the meaning of human life and its worth in the eyes of the Living God. Its sole purpose is to know Who God is and His standard of living when this world is influenced and reshaped by cultural darkness, revolutions and counter revolutions that are antithetical to the bible. **A Handbook of Discernment for Evangelical Christians Considering Ministry as a Professional Chaplain** John Ruiz, 2025-02-27. The purpose of this handbook is to encourage discernment for evangelical Christians who are considering ministry as a professional chaplain. The handbook illustrates practical applications of the art of chaplaincy and provides a framework for navigating entry into the profession that occurs at both the professional chaplain and church level. This resource is designed for teachers who instruct individuals considering professional chaplaincy. The hope is to encourage and assist evangelical Christians who feel called to the ministry of professional chaplaincy to enter and successfully practice their ministry. The reason for the handbook is the author's observation working seventeen plus years as a professional chaplain that God is using professional chaplaincy in a multicultural reality to reach the unchurched, the minimally churched and those who are not currently having their needs met by the traditional form of church. **In Defense of All God's Children** Christopher Senyonjo, 2016-05. Offers a consistent and engaging introduction at the cutting edge of theological inquiry which is contemporary, undogmatic, questioning and relevant to readers' experience, interests and needs. Written lucidly and engagingly by an established and respected academic who has published widely in this area. **The People's New Testament Commentary** M. Eugene Boring, Fred B. Craddock, 2010-01-25. M. Eugene Boring and Fred B. Craddock present this new one volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and

Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *Putting Burdens on Broken Shoulders* Ken Crispin,2023-03-22

Conservative Christian views on marriage and divorce are often presented as bulwarks against the tragedy of marital breakdown Yet the advice given to divorced Christians and those facing the disintegration of their relationships is often irresponsible and damaging Women fleeing domestic violence are told they are bound to their abusers by indissoluble spiritual bonds Some are sent back to face further violence Children are exposed to further abuse People are condemned to lives of unnecessary loneliness and second marriages are undermined A pall is cast over many lives Why Why should vulnerable people be given advice that is so damaging Those who protest are told that this is what the Bible teaches But does it This book critically examines the relevant texts revealing fundamental errors due to theological misconceptions and difficulties of understanding nuances of the original languages and the contexts in which crucial words were spoken Properly understood the relevant biblical passages do not lock people into intolerable situations Christians are called to be faithful in their marital relationships but not to pretend that former marriages still exist or refuse to recognize subsequent ones And we are called to embrace not condemn the brokenhearted *Recovering the Full Mission of God* Dean Flemming,2013-11-03

Should our proclamation of the gospel be in words or deeds or both What do the Scriptures say New Testament scholar and missionary Dean Flemming takes a look at this disputed question Rooted in the Old Testament and covering the Gospels Paul Acts Peter and Revelation Flemming provides a biblically sound basis for holistic evangelism *The Hermeneutical Spirit* Amos Yong,2017-11-06

In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context *For the Love of God* Jerry M.

Ireland,2017-03-23 Compassionate missions constitutes a growing focus among evangelical denominations and agencies Because of this there exists a growing need to be guided by sound principles and best practices This edited volume sets forth both the biblical foundations and preferred methods for churches wanting to engage in compassion as part of their missionary efforts The aim throughout is that compassionate missions would be guided by indigenous principles that help establish autonomous local churches capable of being salt and light in their communities The contributors to this volume have over 200 years of missions experience Through their first hand knowledge of the challenges and pitfalls faced by missionaries engaging in compassion these authors set forth foundational principles and practical guidelines related to some of the most pressing issues confronting missionaries today These include HIV AIDS UPGs human trafficking orphans and vulnerable children gender issues and many more Pastors missionaries missions boards and educators will find this a valuable resource as the church in the twenty first century continues to engage in the Great Commission **Feasting on the Gospels--Luke, Volume 1** Cynthia A. Jarvis,E. Elizabeth Johnson,2014-01-01 Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource this time on the most preached on books in the Bible the four Gospels Inside cover **"A Hard Saying"** Francis J.
