Good Sports Robert J. Kane,1992

Good Sports Robert J. Kane,1992

A Companion to American Sport History

Steven A. Riess,2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH *Wisconsin where They Row* Bradley F. Taylor,2005 Wisconsin Where They Row is the definitive history of rowing at the University of Wisconsin Although this oldest of intercollegiate sports had its American beginnings in 1852 as a contest among Ivy League men it would soon have to make room for the stubborn steadfastness of Wisconsin s athletes Author Brad Taylor captures the unique character of Wisconsin crew and its athletes in this meticulously researched and abundantly illustrated book Taylor recounts rowing s beginnings as the first UW intramural sport in 1874 the long and rich history of the men s crew the establishment of the women s team in 1972 and the presence of Wisconsin rowers on every U S Olympic rowing squad from 1968 through 2004 Taylor tells of the UW men s victory in 1892 at Oconomowoc against the Chicago Navy their first competition against an outside club the story of the famed Berry Crate Crew and the Badger crews participation in the early intercollegiate regattas on the Hudson River Taylor depicts how boats were shipped east by train how one coach sacrificed most of his salary during the threadbare 1930s to keep the sport alive and how thousands of spectators watched races from railroad flatcars and yachts Taylor spent four years interviewing key figures visiting race venues and delving into the archives of college libraries historical societies and newspapers The result is not only this book but also a trove of information rowing memorabilia and some two thousand images of Wisconsin crew history that Taylor will donate to the University of Wisconsin archives and the new crew boathouse Wisconsin Where They Row documents in detail an exciting story important to sports history to Wisconsin s heritage and to alums and fans of the Badger crew teams It will appeal to anyone who thrills at the sight of oars flashing and shells skimming across blue water *Abel Kiviat, National Champion* Alan S. Katchen,2009-07-10 Abel Kiviat 1892 1991 was one of track and field s legendary personalities a world record holder and Olympic medalist in the metric mile A teenage prodigy he defeated Hall of Fame runners before his twentieth birthday Alan S Katchen brings Kiviat s fascinating story to life and re creates a lost world when track and field was at the height of its popularity and occupying a central place in America s sporting world The oldest of seven children of Moishe and Zelda Kiviat Jewish immigrants from Poland Abel competed as the Hebrew runner for New York s famed Irish American Athletic Club and

was elected its captain Katchen's engaging biography centers Abel Kiviat's life and his sport firmly in the context of American social history As a quintessential New Yorker Kiviat embodies the urban and ethnic roots of American track From his first schoolboy competitions on city playgrounds to his world records at Madison Square Garden to his pioneering role as track's press steward in the age of emerging media Kiviat's life reveals how his sport was shaped by the culture of the emerging metropolis New York City is not only the setting for these developments but also a subject of the book The narration is enriched with brief portraits of celebrated track athletes including Kiviat's Olympic roommate Jim Thorpe In addition Katchen offers a detailed account of the I AAC's evolution including its close ties to the Tammany Hall political machine and sheds light on the rapid modernization of the sport and the ways it provided a vehicle for the assimilation of working class immigrant athletes Finally Katchen explores the social origins of the ideology of amateurism and its devastating impact on Kiviat's career Kiviat died at ninety nine just months short of carrying the torch for the opening ceremonies of the Barcelona Olympics Abel Kiviat National Champion pays tribute to a remarkable athlete and the sport during its most dynamic and celebrated era Looking Good Margaret A. Lowe,2003-06-12 Edward Clarke warned in his widely read *Sex in Education* 1873 but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health

Benching Jim Crow Charles H. Martin,2010 Historians sports scholars and students will refer to *Benching Jim Crow* for many years to come as the standard source on the integration of intercollegiate sport Mark S Dyreson author of *Making the American Team Sport Culture and the Olympic Experience* **Honor on the Line** Robert J. Scott,Myles A.

Pocta,2012-07-27 It was the fall of 1940 and Americans turned to college football for relief from the turbulent world around them The Depression still had its grip on the nation and across the Atlantic the Battle of Britain raged As war crept closer every day the nation's first peacetime draft called Americans to the defense of the country While the great Tom Harmon of Michigan set new standards on the gridiron on other fields black stars struggled for the right to play At Stanford coaching genius Clark Shaughnessy reinvented the game and in the process engineered the greatest turnaround in the history of college football But the team everybody was talking about was Cornell Fueled by the most powerful offense in the country the Big Red dominated the national rankings until on a snowy field at Dartmouth they eked out a win with a touchdown on the last play of the game or did they When it came to light that the touchdown had been scored on a grievous error by the officials Cornell undefeated and in the race for the national championship faced a wrenching decision The 1940 season was one of the most exciting on record and one that taught America about the values that really matter *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 Subject Guide to Books in Print ,1997 **Cornell Then & Now** Ronald Elroy Ostman,2003 Follow the history of this remarkable university in the pages of

this book The New England Small College Athletic Conference Dan Covell,2022-06-20 The New England Small College Athletic Conference has won glowing appraisals in the sporting press since its founding in 1971 Established to strengthen intercollegiate sports in harmony with the high academic standards of its members 11 prestigious liberal arts colleges the NESCAC is committed to equity and inclusion in athletic programs and to providing only need based financial aid The Conference s reputation attracts many gifted student athletes Drawing extensively on campus archives media reports and interviews this book compares the NESCAC s lofty strategy to reality with a focus on recruiting admissions financial aid and diversity goals **Forthcoming Books** Rose Arny,1993 **The Intercollegiate** ,1907 *The Illustrated American* ,1895

Athletics in Ancient Athens Donald G. Kyle,1993-01-01 *Athletics in Ancient Athens* D.G. Kyle,2018-07-17 This book presents new insights into the relationship between governors and provincial subjects in the Later Roman Empire Discussion of provincial expectations and perception the continuous dialogue interdependence and reciprocity leads to a better understanding of Late Roman provincial administration **Sport and Modernity** Richard Gruneau,2018-03-16 This important new book from one of the world s leading sociologists of sport weaves together social theory history and political economy to provide a highly original analysis of the complex relationship between sport and modernity Incorporating a powerful set of theoretical insights from traditions and thinkers ranging from classical Marxism and the Frankfurt School to Foucault and Bourdieu Gruneau analyzes the emergence of sport as a distinctive field of practice in western societies Examining subjects including the legacy of Greek and Roman antiquity representations of sport in nineteenth century England Nazism and modern mega events such as the Olympics and the World Cup he seeks to show how sport developed into an arena which articulated competing understandings of the kinds of people bodies and practices best suited to the modern western world This book thereby explores with brio and sophistication how the ever changing economic social and political relations of modernity have been produced and reproduced and sometimes also opposed and escaped through sport from the Enlightenment to the rise of neoliberalism as well as examining how the study of exercise athletics the body and the spectacle of sport can deepen our understanding of the nature of modernity It will be essential reading for students and scholars of the sociology and history of sport sociology of culture cultural history and cultural studies **Intercollegiate Athletics, Inc.** James Bennett,2019-11-20 Intercollegiate Athletics Inc examines the corrupting influence and damaging financial effects of big time intercollegiate athletics especially football and to a lesser extent basketball on American higher education Including historical and contemporary perspectives the book traces the growth of intercollegiate sports from largely student run activities supervised by faculty to the gargantuan taxpayer supported spectacles that now dominate many public universities It investigates the regressive student fees that have helped subsidize big time sports at public universities and prop up chronically unprofitable athletic departments as well as the corrosive effects of athletics on the university s academic enterprise A review of the alleged salutary effects of massive sports programs such as spurring alumni donations

and student applications reveals that such benefits are largely illusory more myth than real The book also pays special attention to the often prescient if largely unsuccessful opponents of these developments and considers the alternatives to big time athletics from abolition to professionalization to club sports Students scholars sports fans and those interested in learning how big time football and basketball have cast such an enormous and often baleful shadow upon American colleges and universities will profit from this provocative and engagingly written book *House documents* ,1883

Getting the books **Good Sports A History Of Cornell Athletics** now is not type of inspiring means. You could not unaided going taking into account books addition or library or borrowing from your associates to right to use them. This is an entirely easy means to specifically acquire lead by on-line.
