**Good Work at the Video Display Terminal** Barbara Hilkert Andolsen,1989-01-01 Catholic Moral Theology in the United States Charles E. Curran,2008-04-11 In this magisterial volume Charles E Curran surveys the historical development of Catholic moral theology in the United States from its 19th century roots to the present day He begins by tracing the development of pre Vatican II moral theology that with the exception of social ethics had the limited purpose of training future confessors to know what actions are sinful and the degree of sinfulness Curran then explores and illuminates the post Vatican II era with chapters on the effect of the Council on the scope and substance of moral theology the impact of *Humanae vitae* Pope Paul VI s encyclical condemning artificial contraception fundamental moral theology sexuality and marriage bioethics and social ethics Curran s perspective is unique For nearly 50 years he has been a major influence on the development of the field and has witnessed first hand the dramatic increase in the number and diversity of moral theologians in the academy and the Church No one is more qualified to write this first and only comprehensive history of Catholic moral theology in the United States *Clothed in Integrity* Barbara Paleczny,2006-01-01 Barbara Paleczny herself a daughter of garment workers tugs at the threads of homeworking in the garment industry to reveal a low wage strategy that rends the fabric of social integrity and exposes global trends The resurgence of sweatshops affects the working poor in both first and third world countries Paleczny assesses the responsibility of transnational retailers for unacceptable wages and working conditions and describes historic shifts in the global context of garment production After exploring systemic causes of poverty relevant policy setting and ethical foundations Paleczny introduces both short and long range possibilities for transformation emphasizing the collaborative nature of work *Clothed in Integrity* draws on feminist studies alternative economics and the ethical foundations proposed by Bernard Lonergan to fashion a constructive work in which Paleczny connects issues of societal meanings and values moral imperatives and economic feasibility With candour she shares personal stories of engagement in coalition work Those who dwell on this text will find information challenges and inspiration to nurture their reflection research dialogue and action *Women, Gender, Religion* E. Castelli,R. Rodman,2001-01-01 This up to date and forward looking collection of essays on gender and religion fills a crucial gap Interdisciplinary and multi traditional this volume highlights the contributions that different disciplinary approaches make to feminist gender studies and religion Designed for the classroom the Reader simultaneously assesses the state of the field and raises questions for further inquiry and investigation T&T Clark Handbook of the Doctrine of Creation ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation Global

Dictionary of Theology William A. Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of the theological perspective and inquiry Here is a new launching point for doing theology in today's global context

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

**A New Protestant Labor Ethic at Work** Ken Estey, 2011-01-01 Estey proposes a labor ethic that emphasizes the protest in Protestantism The purpose of this ethic is to interrupt the drudgery of the Protestant work ethic which Estey asserts is the dominant cultural ideal in the U S Protestantism must not be about capitulation to capitalism and a Protestant ethic that works must be one that questions and confronts authority in order to undo the newest and oldest forms of dehumanization as they pertain to workers labor issues and conditions in the workplace
