Good Bye And Other Stories:

Good-bye, Son and Other Stories Janet Lewis, 2019-08-27 *Good bye Son and Other Stories* Janet Lewis's only collection of short fiction was first published in 1946 but remains as quietly haunting today as it was then. Set in small communities of the upper Midwest and northern California in the 30s and 40s, these midcentury gems focus on the quiet cycles connecting youth and age, despair and hope, life and death. A mother's encounters with her deceased son, an aging woman sitting with the new knowledge of her troubled older sister's death, and a teenager disillusioned by her own mortality are among the characters, mostly women and girls whom Lewis delivers. Her understated style and knack for unadorned observation embed us with them as they reckon with the disquieting forces, incomprehensible and destructive to some, enlightening to others that move us from birth through life to death. In the process, Lewis has crafted a paean to the living. **Good-bye and Other Stories**

Yoshihiro Tatsumi, 1988 Yoshihiro Tatsumi has assembled an unusual collage of postwar Japanese life. Once unity, order, and harmony were the cornerstones of society. Now individuals, families, and lovers find themselves imprisoned by small minds and tiny spaces. Domestic battles are the new front of a quiet war. Loneliness is pervasive, emotional detachment a necessity, and good-bye is the only proper response to caring. The scars of a deeply wounded nation are visible in the chaotic lives of its people. A young bride's husband is jailed on their wedding night. Faithful for four years, she confirms his suspicions and erases her virginal image the night before his release. A prostitute rids herself of the one man who truly cares for her. Her father, a disabled voyeur, is drawn into a strange relationship with the couple he watches. *The Lottery and Other Stories* Shirley Jackson, 2005-03-16 One of the most terrifying stories of the twentieth century, Shirley Jackson's *The Lottery* created a sensation when it was first published in *The New Yorker* in 1948. Power and haunting, and nights of unrest were typical reader responses. Today it is considered a classic work of short fiction, a story remarkable for its combination of subtle suspense and pitch-perfect descriptions of both the chilling and the mundane. *The Lottery and Other Stories*, the only one to appear during Shirley Jackson's lifetime, unites *The Lottery* with twenty-four equally unusual short stories. Together they demonstrate Jackson's remarkable range from the hilarious to the horrible, the unsettling to the ominous, and her power as a storyteller. **Natalie, and Other Stories** Frances Hodgson Burnett, 2025-07-22 Reprint of the original first published in 1879. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. *A Month by the Lake & Other Stories* Herbert Ernest Bates, 1987 If we set H. E. Bates's best tales against the best of Chekhov's, Graham Greene declared, I do not believe it would be possible with any conviction to argue that the Russian was the finer artist. The sampler of H. E. Bates stories presented here shows the merit of that praise and displays the range and aspects of Bates's work from his first published story, *The Flame*, to one of his very last, *The Song of the Wren*. In his long and prolific literary career, Bates 1905-1974 produced twenty-five novels, a three-volume autobiography, nine books of essays, several plays, and children's books.

as well as his important and perhaps most enduring achievement twenty three collections of short stories A Month by the Lake Other Stories displays Bates s extraordinary talent for concisely getting at the heart of the matter Whether he is dealing with romance in middle age the title story or the almost painful clarity of a child s world The Cowslip Field or encapsulating the disintegration and tragedy of a man and a house and the era and class they represent The Flag Bates s compassion for humanity remains constant As Anthony Burgess remarks in his introduction Bates achieved such sovereignty of what literary land he inherited that he deserves the homage of our uncomplicated enjoyment Bates s affection for ordinary people is one of his shining virtues But he himself as I knew and as this compilation should make clear was is far from ordinary Book jacket

The Mountain, and Other Stories St. John Greer Ervine,1928 *The Awakening and Other Stories* Kate Chopin,2024-09-24 Set in New Orleans and the Gulf Coast at the end of the nineteenth century The Awakening centers on Edna Pontellier an apparently happy twenty eight year old wife and mother of two But when a summer romance reignites Edna s appetite for life she discovers that her conventional family friends and surroundings do not make her happy Boldly and to the astonishment of her husband and the consternation of New Orleans society Edna begins to discover the joys of solitude creative expression and erotic freedom A scandal and a shock to readers when it was first published in 1899 The Awakening remains a daring portrayal of a woman rejecting domesticity in favor of her own happiness and self expression This edition includes some of Chopin s most studied short stories including Desiree s Baby A Pair of Silk Stockings and The Story of an Hour The Little Lychetts, and Other Stories ,1866 The thirteen, Father Goriot, and other stories Honoré de Balzac,1901 The moon man, and other stories by E.F.J. acted by Marie Leroux's celebrated Palais Royal company I wasn't at the time exactly engaged to poor Irene it has always been a comfort to me that I wasn't engaged to her though I knew Irene herself considered it practically equivalent to an understood engagement We had known one another intimately from childhood upward for the Lathams were a sort of second cousins of ours three times removed and we had always called one another by our Christian names and been very fond of one another in a simple girlish and boyish fashion as long as we could either of us remember Still I maintain there was no definite understanding between us and if Mrs Latham thought I had been paying Irene attentions she must have known that a young man of two and twenty with a decent fortune and a nice estate down in Devonshire was likely to look about him for a while before he thought of settling down and marrying quietly *Novels: The gambler, and other stories* Fyodor
