Erica McNeal,2012-02-01 Unmet expectations and conflicts arise when a person is hurting and doesnt know what they need and their loved ones dont know what to say or how to help By the time author Erica McNeal was thirty two years old she was already a three time cancer survivor and had experienced the loss of five children two of which she held in her arms Those close to her were not sure of how to console her and some well intended comments only served to hurt Erica and her family in their healing process For example imagine being diagnosed with a rare form of cancer at twenty two years old and having your best friend tell you that she wished she had cancer too so that people would like her Or imagine being pressured to hold a friends babya child that was born the same day you buried your daughter in order to prove your love for the couple These statements represent only a fraction and not even the worst of the painful words spoken to her family while they struggled through cancer treatments and grieved the loss of their children Good Grief is a book filled with tangible solutions for determining what to say what not to say and what to do in order to love others well through difficult times Good Grief Sue Borrows LaRue,2019-08-13 This is an inspirational testimony of how God demonstrates His grace in human tragedy Suzie Borrows battled for her husband s life praying for a miracle Hers is a story of love loss and new life a story of holding on to God s promises in faith a story of talking to the Lord about everything and seeing Him answer prayer in unexpected and unimagined ways This is the story of a woman laying her faith on the Word of God and believing Him for the literal truth of His Word speaking His Word back to Him and humbly reminding Him of those promises His answers to her heartfelt cries were provided through undeniable revelations which exceeded her dreams Through His many mercies to Suzie God s purpose gradually became her purpose As human beings we may all enjoy blessings such as family health and prosperity but we will also likely suffer loss hardship and grief Suzie s discovery of the ultimate power of God and His Word along with her growing understanding of how much He truly loves us transformed her life Come along with her and experience the miraculous hand of God in the midst of her circumstances He is no respecter of persons and wants you to know His love in a tangible way as well Your faith will be ignited just as Suzie s was as she walked hand in hand with the Lord The Hurting Heart Robert M.
