William Franklin Sands in Late Choson Korea Wayne Patterson, 2021-07-29 After graduation from Georgetown University in 1896 William Franklin Sands joined the US diplomatic corps as second secretary in Tokyo His year there sparked his interest in East Asia so when a position in Korea opened he took it with the help of his influential father an admiral in the US navy For two years he served under US Minister Horace Allen until a more powerful position opened as chief adviser to the Korean government in 1900 As the most influential foreign adviser Sands attempted to convince Emperor Kojong to undertake reforms and to promote Korean neutrality to keep the country independent The author argues however that Sands was hampered by corrupt officials who had the ear of the emperor by the Japanese and the Russians who competed for influence and who tried to replace Sands

with their own advisers and ironically by Horace Allen When he lost the confidence of Kojong and when the Russo Japanese War broke out Sands was forced out having failed to maintain Korea s independence as Japan moved to take over Although his subsequent activities included other diplomatic postings teaching and writing he maintained an interest in Korea and offered his services as World War Two raged *Universalist Union* ,1845 Deconstructing Jesus Robert M.

Price,2009-09-25 After more than a century of New Testament scholarship it has become clear that the Jesus of the gospels is a fictive amalgam reflecting the hopes and beliefs of the early Christian community and revealing very little about the historical Jesus Over the millennia since the beginning of Christianity various congregations from fundamentalist to liberal have tended to produce a Jesus figurehead that functions as a symbolic cloak for their specific theological agendas Through extensive research and fresh textual insights Robert M Price paves the way for a new reconstruction of Christian origins Moving beyond the work of Burton L Mack and John Dominic Crossan on Jesus movements and Christ cults which shows how the various Jesus figures may have amalgamated into the patchwork savior of Christian faith Price takes an innovative approach He links the work of F C Baur Walter Bauer Helmut Koester and James M Robinson with that of early Christ myth theorists two camps of biblical analysis that have never communicated Arguing that perhaps Jesus never existed as a historical figure Price maintains an agnostic stance while putting many puzzles and scholarly debates in a new light He also incorporates neglected parallels from Islam the Baha i Faith and Buddhism *Deconstructing Jesus* provides a valuable bridge between New Testament scholarship and early freethinkers in a refreshing cross fertilization of perspectives **JAMES**
