Good Grief Malcolm Duncan,2020-03-20 Good Grief will bring hope to those who feel that because of the sheer pain of their loss there could never be another tomorrow worth living Rob Parsons OBE Chairman and Founder Care for the Family We all walk through grief and loss It comes in many shapes and forms As a husband father son and a pastor for the past thirty four years Malcolm Duncan has experienced loss in many forms Duncan has seen grief destroy some people and his own experience of loss and grief came close to destroying him Yet God has carried him through In this intensely personal journal Duncan guides the reader through grief and loss examining how it changes us and affirms that God is with us every step of the way Intimate and well grounded in scripture Malcolm Duncan shows us that no matter how dark it gets the light of His grace will always be there *Good Mourning* Allan Hugh Cole, Jr.,2008-01-01 In this brief book Allan Hugh Cole explains the process of grief and what loss can do to us identifies ways of coping and reminds us of the hope that we can find in mourning Ultimately Cole offers a plan of good mourning a way to work through the loss and rebuild life with new strength Cole describes what it takes to be engaged in good mourning instead of endless suffering and demonstrates how faith and prayer can be practical tools in rebuilding life after loss Feelin Bettina Judd,2022-12-15 How creativity makes its way through feeling and what we can know and feel through the artistic work of Black women Feeling is not feelin As the poet artist and scholar Bettina Judd argues feelin in African American Vernacular English is how Black women artists approach and produce knowledge as sensation internal and complex entangled with pleasure pain anger and joy and manifesting artistic production itself as the meaning of the work Through interviews close readings and archival research Judd draws on

the fields of affect studies and Black studies to analyze the creative processes and contributions of Black women from poet Lucille Clifton and musician Avery Sunshine to visual artists Betye Saar Joyce J Scott and Deana Lawson *Feelin Creative Practice Pleasure and Black Feminist Thought* makes a bold and vital intervention in critical theory's trend toward disembodied feeling as knowledge Instead Judd revitalizes current debates in Black studies about the concept of the human and about Black life by considering how discourses on emotion as they are explored by Black women artists offer alternatives to the concept of the human Judd expands the notions of Black women's pleasure politics in Black feminist studies that include the erotic the sexual the painful the joyful the shameful and the sensations and emotions that yet have no name In its richly multidisciplinary approach *Feelin* calls for the development of research methods that acknowledge creative and emotionally rigorous work as productive by incorporating visual art narrative and poetry

This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you
