Good News For Jesus Friends:

Good News for Jesus' Friends Carol A. Sedinger, Ione L. Sedinger, 2011-11 Christ knew we would never be happy without a personal viable relationship with him and his Father He knew the only way for us to truly know him would be to learn his story This is why Jesus last commission to his disciples was for them to study the Word in order to teach the Word to others Through intense study of the New Testament The Good News of the Apocalypse shows you how to have a meaningful and an intimate relationship with Jesus Christ Pastor Sedinger offers a complete overview of the books of the New Testament She breaks down each book through guided readings and gives a thorough explanation of the book s events and message In addition Sedinger incorporates other biblical studies in her narrative to provide a well rounded understanding of the New Testament At the heart of this study is the overwhelming importance of accepting Jesus as your personal savior and developing a relationship with him Knowing about him is not enough to build this relationship Instead we must study Scripture and apply it to our lives The Good News of the Apocalypse will help you in this remarkable journey by complementing your Bible reading and giving you a new understanding of the Gospel Echoes of the Good News Justin Nnaemeka Onyeukaziri, 2014-03-14 As Christians today we need to enter into dialogue with the context of the world of which generation we are The Four gospel evangelists present to us the Jesus who always engages his contemporary in an intelligent conversation not only on matters of faith and morals but on the entire existential life situations of the people at his time In the constant conversation between Jesus and his major interlocutors the scribes the Pharisees and or the Sadducees Jesus demonstrates and establishes that Christianity should have the nature of a rational intelligent faith and morals not an irrational blind faith and moral Whenever we fail as Christians to act or react to the realities of our world with a rational or intelligent faith and moral attitude we always end up not only becoming inhuman cruel exploitative manipulative and hypocritical like the scribes and the Pharisees of Jesus time but we also become predators persecutors fanatics enemies and killers of gifted and ingenious people in the name of God We become stagnant and remain in the past making Christianity unattractive sterile and a gathering of people of weak minds who nourish themselves with fables and superstitions Thus Christianity would be erroneously conceived as an enemy to science enemy to technological advancement enemy to politics enemy to Economic growth and entire human development

and societal advancements This rational faith attitude is what this book attempts to expose and invite everyone to have for a better and richer Christian experience in our informative explosive generation *Goodnews Today* Deacon Bill Rich,2020-12-02 goodnews today is written for any Christian who would like to celebrate the good news in his or her life or is looking for thought provoking reflections based on selected Gospel passages or would just like to have a thoughtful homily to reflect on every Sunday Scripture passages and accompanying reflections in goodnews today cover every Sunday and Feast Day in the three year Roman Catholic Liturgical calendar **Good News in the Family** Kathleen Pearce,2002

activity for the purpose of preservation of endangered species and habitats Scripture makes clear that God takes pleasure in creation and that our role as stewards requires that we appreciate creation and take our responsibility as stewards seriously Scriptures Psalm 104 Leviticus 25 1 13 Deuteronomy 14 22 29 Job 38 4 11 Joel 2 18 26 Romans 8 19 22 2 Corinthians 9 Spiritual Practice Nurture and care of all creation The Good News: One Man's Journey Through the Bible Charles M.
