

A long-exposure photograph of a night sky filled with star trails, creating a sense of motion. The trails are curved and sweep across the frame. Below the sky, a dark silhouette of a person stands on a snowy, flat landscape. The horizon is visible with some distant trees and a faint orange glow from the setting or rising sun. The overall mood is serene and contemplative.

Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke's besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century The Good News According to Matthew Eduard Schweizer, 1975-01-01 The Good News according to Matthew is a brilliant passage by passage investigation of the longest Gospel By comparing Matthew with his sources Mark the Saying Source early liturgies and with parallels like Luke earlier wisdom literature and Qumran texts Schweizer is able to isolate Matthew's distinctive view of Christ The Good News According to Luke Eduard Schweizer, 1984-05-01 This commentary analyzes Luke's writings and

gives specific explanations to enable readers to understand the special contributions Luke makes to the testimony of the New Testament With the precision for which he is noted Eduard Schweizer conveys the whole picture of what Jesus Christ means to the faith     Dictionary of Jesus and the Gospels Joel B. Snyder Belousek, 2014-04-07 In Good News Darrin Snyder Belousek explores the meaning of salvation in the Gospel of Luke Through biblical reflections on the stories and songs of Luke s telling of the coming of Jesus the Messiah this book explains the manifold message of good news Fully accessible to lay persons yet substantially informed by biblical scholarship keenly aware of spiritual concerns and passionately engaged with social issues this book offers a vision of salvation that is grounded in grace and nurtured by prayer relevant to both the spiritual and the social and inseparable from doing justice and seeking peace     The Character and Purpose of Luke's Christology Douglas Buckwalter, 1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers

in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him

**The Path to Salvation in Luke's Gospel** MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

**So Great Salvation** Charles C. Ryrie, 1997-07-01 What is the Gospel Confusion about the Gospel is a serious problem of tremendous magnitude It's not just semantics It's the eternal difference between heaven and hell But there is Good News Follow along in this scholarly yet readable work as Dr Ryrie carefully explains what the Bible has to say about salvation discussing man's hopeless state before meeting Jesus God's grace in saving us and our call to obedience as we walk with Him In *So Great Salvation* Dr Ryrie also addresses many questions raised by those who hold to the lordship salvation position Does Jesus have to be the Lord of every area of our lives before we are saved What about backslidden Christians What is easy believeism Join Dr Ryrie as he studies the important topic of salvation Discover how God's grace is all we need to enter the kingdom of heaven

Word, Care, and Worship Peter Nyende, 2025-04-14 In this second volume by Dr Peter Nyende he outlines a biblical theology of pastoral ministry that highlights its vital importance and provides a comprehensive understanding of its fundamental goals and activities This understanding is rooted in Jesus's designation as the chief shepherd which is the fulfilment of the pastoral responsibilities of the priests and prophets in the Old Testament and the catalyst of the ministry of the apostles and their non apostolic counterparts in the New Testament Nyende identifies the three components of pastoral ministry in the Bible as preaching and teaching the word caring for those in difficulty and facilitating worship thus providing readers with an exemplary framework for a truly biblical model of pastoral ministry This book is for pastors and theological students who seek to deepen their understanding of pastoral ministry by going beyond the mechanics of their everyday tasks and discovering the true goal and meaning that fuels their ministry

**The Death of the Messiah and the Birth of the New Covenant** Michael J. Gorman,2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us [A Greek and English Lexicon to the New Testament ...
