

Don't worry, my friend
We are moving apart
But our friendship
Is deep rooted in my heart
I have to take one path
While you pursue another
But we will meet soon
Let's promise each other

Living Veda Duff Tohline,2007-08 The poems found between the covers of this book furnish insight into the way God s Spirit permeates every facet of life Too often we humans take things for granted seeing only the worldly view and depending too much on our own wisdom Personal wisdom is of great importance but an attitude of complete self dependency robs us of the real riches attainable through the insight of faith As you ponder the truths expressed here you will begin to see more than ever before how very involved God is in every aspect of your life and you will feel a closeness to his spirit that has eluded you in the past He cares about you personally and has planned the universe to fulfill your every need Let these poems open your mind to new and real possibilities Your life will be stimulated and enriched as a result AUTHOR BIO Veda Tohline has found writing poetry an excellent way of putting her faith into words and sharing it with others She feels it is a spiritual gift which has helped her examine her own understanding of and relationship to God This method of putting her convictions into word form began when as a beginning school teacher she was isolated from family and long time friends and living in a small town one hundred miles from home and familiar surroundings Gradually her gift evolved and became a method of communicating regularly with friends across the country As her gift has become known she has been asked to write celebrations of

engagements weddings births and even encouragement to share with incarcerated lawbreakers Often she has no idea how to proceed but once she applies her thoughts and asks God s guidance even she is surprised by the outcome *Masters and Masterpieces of Iranian Cinema* Hamid Dabashi,2023-05-23 An academically acclaimed and globally celebrated cultural critic Hamid Dabashi is the Hagop Kevorkian Professor of Iranian Studies and Comparative Literature at Columbia University He is the author of a number of highly acclaimed books and articles on Iran Islam comparative literature world cinema and the philosophy of art among them *Close Up Iranian Cinema Past Present Future Dreams of a Nation On Palestinian Cinema* editor *Iran A People Interrupted* and *Iran without Borders Towards a Critique of the Postcolonial Nation* He lives with his family in New York City **For the Love of Life and Laughter with a Few Tears Sprinkled in Between**
