Staursky said Flores was ahead from too many council meetings and was not representing the ward properly.

**Remains of a Cloud** Ruth Cohen,2010-04 Description My book at the start describes my very young life in Tunisia in North Africa where I was born and lived with my large family There I became aware of a strange sickness on my mom's side and I could not pinpoint it The political events brought us me four siblings and my parents To the other side of the Mediterranean Sea We lived in Paris for four years with a sick mom and a dad who had one ideal to go and settle in Israel eight days in the sea of my childhood and we arrived to the Jewish land This move was an enlightenment for the family even though our economical status did not improve for a long time Still we were happy in the land of milk and honey Already in Paris I did not feel good inside myself an eternal sadness And I did not connect my well being with a maternal illness that seemed to be a chain of depressions where my mom was attached To it was impossible to free her I wanted to understand but as I was so different from my mom I did not and could not see the tie between us The delivery of my older son was the beginning of a journey of thirty years where I was extremely sick not knowing the reason of this malediction I had to know Only after twenty five years I was diagnosed with the sickness called the bipolar disorder And for thirty years in spite of horrendous pains in my body And my soul I took the way of optimism I have totally

*A Poetic Journey* Tina Kaye Hoyer, 2011-04-13 I look in the mirror and what do I see? The vision unravels of what is to be. The shell of a woman whose life has been taken away. What does it mean to look forward to a new day? Take me away from the life that I lead. All I feel is the need to bleed. The desire to see red is like hunger or greed. Unzip my skin and set my heart free. Is there such a thing as a happy me? Or carrying this burden will I always be. From fleeing for her life from a crazed boyfriend to an accidental overdose of prescribed medications and not to mention a life-threatening cutting disorder and eight stays in mental institutions. Tina has overcome monumental obstacles to get to where she is now. Her goal with this book is to inspire and to help others with Bipolar Disorder realize each has different challenges but all can be managed with the proper amount of drive, persistence, and desire to do so. In this book, her poetry tells the traumatic story of her battle back to reality from her living hell with all the raw emotion she was feeling along the way. Tina opens her heart and soul and pours it out before you in these pages through her intense, gut-wrenching poems. You will follow Tina on her journey as she describes to you through her poetry what it took to return to reality. **My Bipolar Life** Jane S, 2017-11-26 THE CHALLENGE OF LIVING LIFE AS BOTH A BIPOLAR AND AN ALCOHOLIC. Jane S is one of the 60 percent or more of manic-depressive persons severely bipolar who are also alcoholics. Her bipolar life story covers forty-seven years of sobriety and forty-five years on lithium therapy, how her illnesses have interacted and particularly how much of the shape of her life and her achievement of her life's goals, including for the last forty-seven years, sobriety has been shaped by her bipolarity. This book is important reading for those dealing with manic depression, either in those close to them or in themselves and even more for those who suffer from both of Jane's diseases. Her memories include literally the good: paying cash down for her first Mustang, though that was because she didn't know how to work a bank account; the bad: the sailboat she was on being boarded by the Coast Guard off Maryland and the ugly hearing her head being dribbled like a basketball outside her side room in the hospital; and the very good: the white light dream that began her recovery from alcoholism. She is believed to have been on lithium therapy for her condition longer than anyone else in the United States.
