The Making of Goodnight Moon Leonard S. Marcus,1996-11-01 Tells the story of Goodnight Moon including anecdotes previously unpublished photographs and full color studies of the artwork *The Secret Life of the Lonely Doll* Jean

Nathan,2025-09-23 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children s book In 1957 a children s book called The Lonely Doll was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter s life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she d always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs The Secret Life of the Lonely Doll tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art **Geographies of Comfort** Danny McNally,Laura Price,Philip

Brown Margaret had a boundless imagination and a gift for spinning stories Most grown ups thought children s books were frivolous and silly but Margaret didn t agree Could writing stories for children be important work a incredible way to share truth beauty and wonder Other people might call Margaret strange and sometimes her own worries and doubts felt overwhelming But only Margaret and her original ideas could lead to Goodnight Moon The Runaway Bunny and other classics beloved by children around the world From smuggling rabbits onto trains to scribbling stories about island whispers Margaret embraced adventure in life and on the page This whimsically illustrated biography shares how an independent fun loving woman became a trailblazing pioneer of the picture book form Alabama Department of Education Alabama Children s Choice Camellia Award 2 3 Nonfiction Nominee 2022 2023 **Margaret Wise Brown** Leonard S. Marcus,1999-09-22 Margaret Wise Brown the author of Goodnight Moon and dozens of other children s classics all but invented the picture book as we know it today Combining poetic instinct with a profound empathy for small children she knew of a child s need for security love and a sense of being at home in the world and she brought that unique tenderness to the page Yet these were comforts that eluded her Brown s youthful presence and professional success as an editor bestselling author and self styled impresario masked an insecurity that left her restless and vulnerable In this moving biography Marcus portrays Brown s complex character and her tragic seesaw life Her literary achievement and groundbreaking discoveries about small children s emotional needs were offset by tormented romances including a passionate relationship with Michael Strange the celebrity socialite once married to John Barrymore **Stories Rabbits Tell** Susan E. Davis,Margo DeMello,2003 Comprehensive look at the rabbit as a wild animal ancient symbol pop culture icon commerical product pet and intelligence feeling creature Also describes how the rabbit is one of the most misunderstood and abused of animals **100 Best Books for Children** Anita Silvey,2004 By selecting only 100 best books Silvey distinguishes her guide from all the others and makes it possible to give young readers their literary heritage in the childhood years *More Words about Pictures* Perry Nodelman,Naomi Hamer,Mavis Reimer,2017-05-08 This volume represents the current state of research on picture books and other adjacent hybrid forms of visual verbal texts such as comics graphic novels and book apps with a particular focus on texts produced for and about young people When Perry Nodelman s Words about Pictures the Narrative Art of Children s Picture Books was published almost three decades ago it was greeted as an important contribution to studies in children s picture books and illustration internationally and based substantially on it Nodelman has recently been named the 2015 recipient of the International Grimm Award for children s literature criticism In the years since Words About Pictures appeared scholars have built on Nodelman s groundbreaking text and have developed a range of other approaches both to picture books and to newer forms of visual verbal texts that have entered the marketplace and become popular with young people The essays in this book offer more words about established and emerging forms of picture books providing an overview of the current state of studies in visual verbal texts and gathering in one place the work being produced at various locations and across
