Gorbachev Bibliography 1985 1991 A Listi:

The Gorbachev Bibliography, 1985-1991 Joseph L. Wieczynski, 1996 *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world *Term Paper Resource Guide to Twentieth-Century United States History* Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs **Democratization in Russia under Gorbachev, 1985-91** Anne White, 1999-07-10 Self help organizations and charities were the most numerous but least studied of pressure groups to emerge during perestroika This book examines the social exclusion experienced before 1985 by non working citizens studies the pre 1985 disabled people s movement and its numerous unofficial but non dissident organizations discusses why the Gorbachev leadership adopted the non Soviet concept of charity analyses the failure of local authorities after 1985 to stave off pluralism and defeat the voluntary organizations and assesses how successfully the latter built the foundations of a civil society *A History of Russia: Since 1855* Walter Moss, 2002 **1996** Massimo Mastrogregori, 2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The

works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors *Russian Leaders* Alexander Dragomiroff, 2002 *Russian Leaders A Bibliography With Indexes* **The Warsaw Pact, 1985-1991-**

Disintegration and Dissolution Matej Bily, 2022-12-30 This book analyzes the last phase of the Warsaw Pact based on unusually large scale archival research conducted in many countries Focusing on the changes in the organization s functioning after Mikhail Gorbachev came to power in the Soviet Union the author examines the role played by the Warsaw Pact in the final stages of the Cold War as well as exploring the deepening conflicts between individual member states which resulted from the changing international situation and Gorbachev s initiatives to reform the East European state socialist dictatorships The book argues that the causes of the rapid dissolution of the Warsaw Pact in the early 1990s were due to many complicated factors not simply the collapse of communist power in Eastern Europe factors such as the loss from early in the second half of the 1980s of important internal ties and the failure to create new ties disputes between individual member states and the questioning of the overall legitimacy of the organization which was indispensable for its effective functioning The book also highlights the impact of external pressures and developments on the international scene Overall the book reveals how an apparently robust and solid multilateral organization can so quickly and unexpectedly disappear

Soviet-Cuban Relations, 1985 to 1991 Mervyn J. Bain, 2007-01-01 *Soviet Cuban Relations 1985 to 1991* is a comprehensive and critical resource for the study of Soviet foreign policy It analyzes the dynamic relationship between the Soviet Union and Cuba during the Gorbachev era Mikhail S Gorbachev served as the General Secretary of the Communist Party of the Soviet Union between March 1985 and August 1991 leading to significant changes in the Soviet s domestic and international relations Mervyn J Bain analyzes the politics and policies of the Soviet Union s glasnost and perestroika programs Cuba s response to these programs and the subsequent interactions between the two countries Bain updates and contextualizes existing research on Soviet Cuban relations to reinforce the importance of this critical period and its continuing influence on today s world *Soviet Cuban Relations 1985 to 1991* is important reading for scholars interested in the complexities of socialist politics and international relations **The End of the Cold War: 1985-1991** Robert

Service, 2015-11-10 On 26 December 1991 the hammer and sickle flag was lowered over the Kremlin for the last time Yet just six years earlier when Mikhail Gorbachev became general secretary of the Communist Party of the Soviet Union and chose Eduard Shevardnadze as his foreign minister the Cold War seemed like a permanent fixture in world politics Until its denouement no Western or Soviet politician foresaw that the standoff between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end within the lifetime of the current generation Nor was it at all obvious that that the Soviet political leadership would undertake a huge internal reform of the USSR or that the threat of a nuclear Armageddon could or would be peacefully wound down Drawing on pioneering archival research Robert Service

s gripping investigation of the final years of the Cold War pinpoints the extraordinary relationships between Ronald Reagan Gorbachev George Shultz and Shevardnadze who found ways to cooperate during times of exceptional change around the world A story of American pressure and Soviet long term decline and overstretch The End of the Cold War 1985 1991 shows how a small but skillful group of statesmen grew determined to end the Cold War on their watch and transformed the global political landscape irreversibly **Historical Abstracts** ,1997 **Bibliographie Internationale de Science Politique** ,1996 The Fall of Soviet Communism, 1986-1991 Jeremy Smith,2017-03-16 The fall of communism and the break up of the Soviet Union into 15 independent states in December 1991 was one of the most significant events of the 20th century In the last years of Soviet rule images of mass protests on the streets of Moscow Tbilisi and Vilnius bloodshed in Baku striking miners Mikhail Gorbachev wooing the West and Boris Yeltsin defiantly mounting a tank in front of the White House building in Moscow shattered all of the old certainties about the seemingly unbreakable communist system Gorbachev and Yeltsin were the dominant figures in this process but non Russian national movements workers intellectuals and international developments all had roles to play Jeremy Smith presents the dramatic events of 1985 91 in a clear and succinct form setting out a variety of interpretations for the demise of communism in the Soviet Union and suggesting new approaches to answering the unresolved question of why it happened Smith discusses the long term and short term factors behind the extraordinary collapse assessing the impact of economic crisis nationalism personalities and democratization in the process

Gorbachev's Glasnost Joseph Gibbs,1999 In Gorbachev s Glasnost The Soviet Media in the First Phase of Perestroika author Joseph Gibbs traces the development of glasnost as both concept and policy from the Leninist idea of criticism and self criticism to Gorbachev s attempt to modernize and reinterpret that doctrine to fit his own political goals and aspirations **BOOK JACKET** Russian Orthodoxy, Nationalism and the Soviet State during the Gorbachev Years, 1985-1991 Sophie Kotzer,2020-01-22 This book examines how the Russian Orthodox Church developed during the period of Gorbachev s rule in the Soviet Union a period characterised by perestroika reform and glasnost openness It charts how official Soviet policy towards religion in general and the Russian Orthodox Church changed with the Church enjoying significantly improved status It also discusses however how the improved relations between the Moscow Patriarchate and the state and the Patriarchate s support for Soviet foreign policy goals its close alignment with Russian nationalism and its role as a guardian of the Soviet Union s borders were not seen in a positive light by dissidents and by many ordinary believers who were disappointed by the church s failure in respect of its social mission including education and charitable activities **Choice** ,1996 *The Best Books for Academic Libraries: General works, military & naval, library science* ,2002 **Air University Library Index to Military Periodicals** ,1994 **The Soviet Elite from Lenin to Gorbachev** Evan Mawdsley,Stephen White,2000-03-09 Although the product of a self proclaimed proletarian revolution Soviet Russia was always dominated by an elite Basing itself upon nearly two thousand people who served on the Communist Party s Central Committee from 1917 to

1991 this is the first book to study the elite that ruled the world's largest country throughout the entire period of Soviet rule. It is also the first to make full use of the rich sources available since the collapse of Communism. The authors profile the elite as a whole and look more closely at fifteen individual members identifying four elite generations. The book examines the evolving connection between Central Committee membership and administrative functions, the changing power and privileges of the elite and its relationship with the population, the Communist party and the top leaders, and the surprising extent to which the elite managed to maintain its position into the early years of post-communist Russia.
