Simons,2023-12-18 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law **New East Asian Economic Development: The Interaction of Capitalism and Socialism** Lily Xiao Hong Lee,2016-09-16 This text documents the economic development of East Asian countries in order to highlight the beneficial techniques used to increase growth Socialist and capitalist structures are discussed complete with an analysis of the future extent of interaction between East Asian countries [Russian Leaders](#) Alexander Dragomiroff,2002 Russian Leaders A Bibliography With Indexes [Politics, Paradigms, and Intelligence Failures](#) Ofira Seliktar,2015-05-20 Washington s failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire s demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary **States And Markets** Guoli Liu,2019-06-21 Initial excitement in the West over the reform of Soviet communism under Gorbachev and then euphoria over the disintegration of the USSR have now been replaced by concern controversy and sometimes despair over prospects for democracy and a market economy in the countries of the former Soviet Union Despair is reflected in the popular joke that the transition from a communist centrally

planned economy to a capitalist market economy is like the transition from fish soup to an aquarium Only time will tell if the aquarium analogy holds water Meanwhile as policy makers in Russia and elsewhere in the former Soviet Union grapple with strategies tactics and details scholars and policy advisors continue to debate questions of sequence timing and appropriate models Soviet-American Debate Annual, 1990 David L.
