

The background of the entire image is a deep space scene. It features a dark blue and black void filled with numerous small, distant stars. A prominent, bright yellow star is located near the top center, casting a soft glow. To the right, a vibrant, multi-colored nebula in shades of pink, purple, and blue stretches across the frame. In the lower center, a large, detailed planet resembling Earth is shown, with visible blue oceans and white cloud patterns. Several other celestial bodies, including a reddish planet and a smaller orange one, are scattered throughout the scene. Streaks of light and comet-like trails add a sense of dynamic movement to the cosmic landscape.
