Bowen,2021 Many congregations and their leaders are discouraged about the future of the church John Bowen s conviction is that the solution is to be found not in new programs or strategies but in a recovery of theological

vision that of Jesus and his gospel which transforms every aspect of life This vision restores hope in the only way realistically possible _ Words like mission discipleship church evangelism renewal and church planting are used like billiard balls all rolling around a single table unconnected and bouncing randomly off one another This book pulls these ideas together into a coherent and organic whole The gospel is the hermeneutical key for understanding each of these topics and what draws them together Thus chapter 1 is an exposition of the gospel God s determination to make all things new through Jesus Christ Chapter 2 discusses discipleship we only understand discipleship in light of the gospel and chapter 3 covers church we only understand church if we understand discipleship Chapter 4 considers culture as the arena in which the gospel is lived and talked about and chapter 5 builds on that with a discussion of translation not only as a missional necessity but as a ministry which itself incarnates the nature of the gospel The remaining chapters on evangelism the future of inherited churches church planting and leadership demonstrate how the gospel is the integration point for all _ The author s hope is that church leaders evangelical and mainline young and old emerging and traditional present and future will have a transformative Aha moment as this gospel hypothesis unfolds _ The Ellen G. Jared C. Wilson, 2011-10-06 We may know the gospel We may believe it even proclaim it But we also may assume the gospel and become lethargic In this book Jared Wilson seeks to answer the central question how do we experience and present the gospel in a fresh nonroutine way in order to prevent ourselves and others from becoming numb His answer may be surprising by routinely presenting the unchanging gospel in a way that does justice to its earth shaking announcement We don't excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting edge dramatic rhetoric but by passionately and faithfully proclaiming the same truths we have already been given in Scripture Wilson's book will stir churches to live out the power of the gospel with a fervent genuine zeal After an explanation of the term gospel wakefulness Wilson unpacks implications for worship hyper spirituality godly habits and sanctification as well as other aspects of church life Pastors church leaders and all in ministry especially those who are tired or discouraged will be uplifted emboldened and empowered by this book **The Gospel Primer** William A. Kalinowski, 2014-02-04 What if Christianity were less about doing and more about being In Transformed author Caesar Kalinowski shows you that when you became a Christian everything about you changed in an instant You received a new identity based on who Jesus is not on who you were As a believer you literally become part of God's family of missionary servants This is who you are not what you do Drawing on stories from Caesar's own journey and life in community Transformed looks realistically at the identity you have been given in Christ and how it reshapes everything about you Set free from performance driven spirituality and guilt you will draw closer to God allowing him to radically change the well worn rhythms and patterns of your every day life and transform your relationships from the inside out Transformed is for those who yearn for a deeper more authentic faith one that empowers you to live out of the truth of who God now says you are Caesar Kalinowski is such a wise teacher Finally a book on the Christian experience that actually leads its readers towards a new way of living Transformed is a book that every skeptic seeker and Christian should read Jen Hatmaker Author of 7 An Experimental Mutiny Against Excess If there was ever a legitimate time to offer a new pathway for being a Christ follower it is now Thank you Caesar for blowing the dust off of the relics of religious life and opening up the window to a God breathed life Hugh Halter Author of FLESH The Tangible Kingdom Sacrilege **The Whole Woman** Kristin L.
