on the life giving course of sharing the gospel story with their family This second volume in Marty Machowski s family devotional series continues the gospel story begun in the Old Testament devotional Long Story Short Using the same effective ten minute a day structure it connects children **Hints and helps for teachers and parents [on Sunday schools]**. John Green, 1878 **My Big Book of Catholic Bible Stories** Thomas Nelson, 2010-01-10 My Big Book of Catholic Bible Stories is a Catholic family treasure With almost 200 stories this book is an excellent resource for children and families to grow together in their faith and knowledge of Catholic tradition It uses selections from the actual text of the highly respected and readable New Revised Standard Version Catholic Edition including stories from the Deuterocanonical Books Along with stories from actual Bible text My Big Book of Catholic Bible Stories includes additional elements Each of these elements will help encourage the child to talk to God to understand the meaning of new words from the passage to learn quotes from saints and other important figures and to go deeper in their faith by cross referencing the CCC and applying the lesson to their lives With its thorough teaching of Catholic faith Bible stories and classic art this Bible Storybook will be a welcome addition to Catholic homes schools and churches **Religious Education**, 1924 **Herald of Gospel Liberty** Elias Smith, 1914 **Unlocking the Bible Story: Old Testament Volume 1** Colin S. Smith, 2002-01-01 The Bible takes its readers from the center of the Garden to today s urban centers with the same message for all Christ has come to deliver the captives Colin Smith shows how Jesus Christ is the focus of Scripture indirectly or directly from beginning to end Beginning with the Old Testament he unlocks rich life changing truths while encouraging and strengthening readers in their daily walk with Christ Come along and discover the keys to a vibrant Christian life in Unlocking the Bible Story Volumes 1 and 2 *Redeeming Violent Verses* Eric A. Seibert, 2023-11-07 One the greatest challenges the church faces today writes Jerome F D Creach is to interpret and explain passages in the Bible that seem to promote or encourage violence Violence in Scripture 1 In the past fifteen years a number of books have been published to help people make sense of God s violent behavior in the Bible Yet very little has been written about how to use these and other violent texts constructively in church This leaves religious practitioners pastors priests Sunday school teachers worship ministers lay leaders and others at a real disadvantage What should they do with stories that sanction genocide or praise individuals for killing others How can they use these violent texts in sermons liturgies Christian educations classes and elsewhere without promoting the violent

ideologies they contain In *Redeeming Violent Verses* Eric Seibert addresses these questions by focusing on a wide range of practical ways to use violent biblical texts responsibly in the church and beyond With chapters devoted to using violent verses when preaching sermons teaching Sunday school and leading worship this book is filled with guidelines and specific practices designed to help ministers use violent verses responsibly Seibert includes numerous examples to illustrate specific ways these verses could be used in ministry settings and pays special attention to dealing with passages that portray God behaving violently Rather than ignoring these passages or being intimidated by them *Redeeming Violent Verses* tackles troublesome texts head on It charts a bold path forward one that opens up new possibilities for ministers by equipping them to use these texts in life giving and spiritually edifying ways Religious practitioners of all stripes will find this book immensely helpful and readers will benefit greatly from the many strategies and suggestions offered here Teaching Biblical Faith

Jack L. Seymour, 2015-05-05 Biblical faith is a lens for viewing life and Jack Seymour refreshingly illustrates how the reading of scripture is a resource for ongoing theological reflection connecting experience vocation daily life and faith Teaching has concrete consequences affecting the very ways people of faith view the world and make decisions for living It matters it makes a difference in how people think and act Written in an accessible style the book provides a manageable way to inspire conversation about the many ways the Bible can be taught the purposes and outcomes of each approach and how biblical wisdom shapes personal and corporate decision making Useful strategies for leading group Bible study help congregations respond faithfully to the Biblical witness and cultivate a whole congregation approach to Bible study Seymour provides guidance on what it means to be a teacher and how to teach Christian faith suggesting that teachers are like animators who envision and enliven the biblical stories and invite people to make connections in life Narola Ao McFayden Union
