Gospel According To Angels:

The Gospel According to Angels Robert W. Graves,1998 Angels have told us everything we need to know about what God considers important The Gospel According to Dan Brown Jeff Dunn,Craig Bubeck,2006 There is a consistent gospel that Dan Brown preaches throughout all of his stories and it profoundly contrasts the Bible s Gospel You can t have both a choice must be made Stories are more than entertainment they form our worldview This book will lift up Brown s gospel against Christianity s biblical Gospel and help fans of Brown s books discern messages that are truly fiction and examine the new world view preached in his novels The Gospel according to John D. A. Carson,1990-12-20 In this solid evangelical commentary on John s Gospel a respected Scripture expositor makes clear the flow of the text engages a small but representative part of the massive secondary literature on John shows how the Fourth Gospel contributes to biblical and systematic theology and offers a consistent exposition of John as an evangelistic Gospel The comprehensive introduction treats such matters as the authenticity authorship purpose and structure of the Gospel *The Gospel According to Hollywood* Greg Garrett,2007-01-01 In this new book in the Gospel According To series Garrett looks at the theological elements in dozens of classic Hollywood films including a discussion about what the new openness to spirituality in the movies might mean for the future of American cinema and American religion Biblical Studies Dictionary of Jesus and the Gospels Joel B. Campbell Morgan,2017-01-30 This volume based on seventy three sermons that consecutively cover Matthew s Gospel receives strength through the very roughness and directness of the word spoken under the inspiration of vast visible audiences while addressed to the impressionable hearts of men From first to last the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office So from the mystic account of His advent in human history through the record of the authority of His ethical enunciation the mercifulness of His method the majesty of His death and the glory of His resurrection to the ringing claim of all authority and the clarion command to disciple the nations we are ever in the presence of the King In an enthusiastic review the Sunday School Times observes It will prove a mine of treasure for teaching the Sunday school lessons There is hardly a page from which some expression of great force does not strike out at the reader **The Seven Signs in the Gospel of St John** , **The Expositor's Bible The Gospel According To St. Luke** Henry Burton,2024-01-02 Expositor s Bible The Gospel According to St Luke is a masterpiece written by using Henry Burton a renowned writer and theologian This book serves as a complete observation on the Gospel of Luke one of the four canonical

The Gospel According to Peter Walter Richard Cassels, 1894 Walter Richard Cassels superb explanation of the Gospel of Peter remains one of the best evaluations yet committed to paper This edition includes Cassel's original notes The original manuscript was discovered in Egypt in the late 19th century by French archaeologist Urbain Bouriant in a monk's grave which showed signs of a dignified burial The unearthing of a new document dating to the time of the New Testament caused a sensation among theologians who eagerly awaited its initial publication in 1892 Two years after The Gospel of Peter first appeared W R Cassels published this translation with a close reading and analysis The controversial elements among them Pontius Pilate being exonerated of condemning Jesus to death are discussed along with the unusually detailed descriptions of Jesus crucifixion and resurrection Cassels also makes comparative analyses of this document with the canonical gospels of Matthew Mark Luke and John In the modern day the Gospel of Peter is considered by scholars to apocryphal the name it bears is likely not the true composer However given that it is referenced by the historian Eusebius it is likely that the paper dates to around the mid to late 2nd century The work's origins and its exact relation to the other Gospels of the New Testament remain a mystery and a source of fascination for Biblical scholars
