Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter *Rainbow Body* Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t      The Pagan Christ Tom Harpur,2009-05-26 A provocative argument for a mystical rather than historical understanding of Jesus leading to a radical rebirth of Christianity in our time For forty years scholar and religious commentator Tom Harpur has challenged church orthodoxy and guided thousands of readers on subjects as controversial as the true nature of Christ and life after death Now in his most radical and groundbreaking work Harpur digs deep into the origins of Christianity At a time of religious extremism Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced His message is clear Our blind faith in literalism is killing Christianity Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become *The Pagan Christ* is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion      **Water Into Wine** Tom

Harpur,2007-03-16 Following the extraordinary and ongoing success of his 2004 book *The Pagan Christ* scholar and author Tom Harpur was deluged with readers requests to go more deeply into the mythological allegorical approach to the story of Jesus he took in that bestselling book *In Water Into Wine* Harpur sets out the powerful and transforming message that emerges when the Gospels are finally read as they were originally intended to be and as they were understood by the first Christians such as Origen and Clement Seen in their true mythological and symbolical meaning the stories in the drama of Jesus life come alive in a totally fresh way not as the account of a single distant god man working strange miracle like Superman or some other fictional magician but as a description of the evolution of the soul in everyone of us The theme of the Gospels parallels exactly the theme of the Old Testament as well as every ancient sacred text which is that a spark of the divine spirit incarnates in each and every human being Tom Harpur shows how the old old story is at the heart of every religion and how it is really our own personal story too *Water Into Wine* is a tour de force written by a skilled and learned communicator that should excite and nourish every true seeker after spiritual fulfillment As well it has the enormous potential for furthering the goal of global understanding and peace
