Teachings of Presidents of the Church: David O. McKay The Church of Jesus Christ of Latter-day Saints, 2003 The First Presidency and Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help Church members deepen their understanding of gospel doctrine and draw closer to Jesus Christ through the teachings of the prophets in this dispensation This book features the teachings of President David O McKay who served as President of The Church of Jesus Christ of Latter day Saints from April 1951 to January 1970 **The Ideals of the Prophets** Samuel Rolles Driver, 1915 *Pope Francis, Conscience of the World* John Raymaker, Gerald Grudzen, 2019-11-12 Why is it that Pope Francis is admired by so many What gives him the uncanny ability to speak with young people in language familiar to them In this book John Raymaker and Gerry Grudzen explore the life and writings of Pope Francis which have a prophetic visionary ability to speak to important issues of the day The authors evaluate how Pope Francis encounters with religious leaders of other faiths have broken new ground to help unite mankind They reach back into Christian history to explore the teachings of such Catholic mystics as Thomas Merton while also delving into the beliefs of Islamic and Buddhist mystics to demonstrate how well the pope is in touch with a spirituality that can speak to those seeking the truth In its final chapters the book examines how the pope endorses the work of Christians who live their faith in small Christian communities and reveals how such communities can strengthen parish life in various parts of the world Like St Francis his namesake and like Teilhard de Chardin before him the pope has an appropriate vision to rebuild God s Church in a transitional age His writings have focused on caring for the earth and preaching the good news of the gospels in a way that and allows him to reach young people in need of joy as they face an uncertain future He is the Conscience of the World Ancient Ideals Henry Osborn Taylor, 1900 **Study Guide to Gospel Ideals** Doyle Leroy Green, Mutual Improvement Association, 1954
