JG Myers

Gospels And Acts:

An Introduction to the Gospels and Acts Alicia D. Myers, 2022 Introducing the Gospels and Acts is not just about reading the first five books of the New Testament. It requires entering the first century Mediterranean world where the events in these writings happened. In this short book, Alicia D. Myers takes readers on a journey through the Gospels and Acts, introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him. Myers provides overviews of context and major passages in each canonical work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing. After situating readers in the literary context of the Gospels and Acts, Myers focuses on the writings themselves, giving basic historical background before digging more deeply into a chosen contextual theme for each work. These six themes include the politics and history of Roman Palestine, expressions of Second Temple Judaism, understandings of identity and human worth in the Roman world, hospitality, Hellenistic philosophies, and the process of canonizing the New Testament. Rather than shying away from difficult and often confusing elements of the Gospels and Acts, Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world. In this way, readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come. **The Veracity of the Gospels & Acts of the Apostles** John James Blunt, 1829 **Studies in the Early Text of the Gospels and Acts** D. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are
