*Gossip from the Forest* Sara Maitland, 2012-11-01 Fairytales are one of our earliest and most vital cultural forms and forests one of our most ancient landscapes Both evoke a similar sensation in us we find them beautiful and magical but also spooky sometimes horrifying In this fascinating book Maitland argues that the two forms are intimately connected the mysterious secrets and silences gifts and perils of the forests were both the background and the source of the fairytales made famous by the Grimms and Hans Christian Andersen Yet both forests and fairy stories are at risk and their loss deprives us of our cultural lifeblood Maitland visits forests through the seasons from the exquisite green of a beechwood in spring to the muffled stillness of a snowy pine wood in winter She camps with her son Adam whose beautiful photographs are included in the book she takes a barefoot walk through Epping Forest with Robert Macfarlane she walks with a mushroom expert through an oak wood and with a miner through the Forest of Dean Maitland ends each chapter with a unique imaginative retelling of a fairytale Written with Maitland's wonderful clarity and conversational grace *Gossip from the Forest* is a magical and unique blend of nature writing history and imaginative fiction

***Gossip from the Forest*** Thomas Keneally, 2015-12-22 Booker Prize Finalist A gripping novel of the World War I armistice negotiations that set the stage for World War II by the author of *Schindler's List* The Guardian In November 1918 after four long years of murderous conflict six men gather in a railroad car in a secluded forest outside Paris France to negotiate an end to World War I A pacifist left leaning diplomat with no military knowledge or experience Matthias Erzberger has been selected by the German high command to represent their surrendering nation for reasons as baffling to him as to anyone He is joined by France's aging vindictive Marshal Foch and Britain's unbending Admiral Wemyss in an attempt to bring peace to a war torn world In these claustrophobic quarters the future is to be decided by men driven by ego prejudice fear exhaustion vengeance delusion and in Erzberger's case conscience But the well meaning diplomat's futile efforts to secure lenient surrender terms will have devastating consequences for Europe the Fatherland and Erzberger himself Renowned for his enthralling fictional accounts of historical events award winning author of *Schindler's List* Thomas Keneally once again brings the heart stopping human drama of history to life as he brilliantly envisions the earth shattering events that transpired in the forest of Compiègne setting the stage for the Treaty of Versailles and the rise of the Third Reich

***Gossip from the Forest*** Thomas Keneally, 1978 ***The Forest and the EcoGothic*** Elizabeth Parker, 2020-02-13 This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western culture The idea of the forest as deep dark and dangerous has an extensive history and continues to resonate throughout contemporary popular culture *The Forest and the EcoGothic* examines both why we fear the forest and how exactly these fears manifest in our stories It draws on and furthers the nascent field of the ecoGothic which seeks to explore the intersections between ecocriticism and Gothic studies In the age of the Anthropocene this work importantly interrogates our relationship to and understandings of the more than human world This work introduces the

trope of the Gothic forest as well as important critical contexts for its discussion and examines the three main ways in which this trope manifests as a living animated threat as a traditional habitat for monsters and as a dangerous site for human settlement This book will appeal to students and scholars with interests in horror and the Gothic ecohorror and the ecoGothic environmentalism ecocriticism and popular culture more broadly The accessibility of the subject of The Deep Dark Woods coupled with increasingly mainstream interests in interactions between humanity and nature means this work will also be of keen interest to the general public
