The Poetics and Politics of the American Gothic Agnieszka Soltysik Monnet, 2016-12-05 Taking as its point of departure recent insights about the performative nature of genre The Poetics and Politics of the American Gothic challenges the critical tendency to accept at face value that gothic literature is mainly about fear Instead Agnieszka Soltysik Monnet argues that the American Gothic and gothic literature in general is also about judgment how to judge and what happens when judgment is confronted with situations that defy its limits Poe Hawthorne Melville Gilman and James all shared a concern with the political and ideological debates of their time but tended to approach these debates indirectly Thus Monnet suggests while slavery and race are not the explicit subject matter of antebellum works by Poe and Hawthorne they nevertheless permeate it through suggestive analogies and tacit references Similarly Melville Gilman and James use the gothic to explore the categories of gender and sexuality that were being renegotiated during the latter half of the century Focusing on The Fall of the House of Usher The Marble Faun Pierre The Turn of the Screw and The Yellow Wallpaper Monnet brings to bear minor texts by the same authors that further enrich her innovative readings of these canonical works At the same time her study persuasively argues that the Gothic's endurance and ubiquity are in large part related to its being uniquely adapted to rehearse questions about judgment and justice that continue to fascinate and disturb
