Gotta Have Em Portraits Of Women:

Gotta Have 'em R. Crumb, 2002 Call Out Words of wisdom from R Crumb hisself sic All my life I ve loved women and hated em at the same time often at the exact same moment I realized I was a geek and I wasn t going to make it with the girls I felt so painfully isolated that I vowed I would get revenge on the world by becoming a famous cartoonist The only burning passion I m sure I have is the passion for sex My personal obsession for big women interferes with some people s enjoyment of my work I knew it was weird and disturbing and even offensive to a lot of people particularly women But I couldn t keep it out of the comics I would always try to give it some sort of metaphorical sense because I derived such masturbatory pleasure out of drawing these women in bizarre situations with these little guys doing stuff to them History and Presence Robert A. Orsi, 2018-06-11 A Choice Outstanding Academic Title of the Year Beginning with metaphysical debates in the sixteenth century over the nature of Christ s presence in the host the distinguished historian and scholar of religion Robert Orsi imagines an alternative to the future of religion that early moderns proclaimed was inevitable Orsi s evoking of the full reality of the holy in the world is extremely moving shot through with wonder and horror Caroline Walker Bynum Common Knowledge This is a meticulously researched humane and deeply challenging book The men and women studied in this book do not belong to a world we have lost They belong to a world we have lost sight of Peter Brown Princeton University A brilliant theologically sophisticated exploration of the Catholic experience of God s presence through the material world On every level from its sympathetic honest and sometimes moving ethnography to its astute analytical observations this book is a scholarly masterpiece A W Klink Choice Orsi recaptures God s breaking into the world The book does an excellent job of explaining both the difficulties and values inherent in recognizing God in the world Publishers Weekly This book is classic Orsi careful layered humane and subtle a thought provoking expertly arranged tour of precisely those abundant excessive phenomena which scholars have historically found so difficult to think Sonja Anderson Reading Religion *Portraits of Resistance* Jennifer Van Horn, 2022-01-01 A highly original history of American portraiture that places the experiences of enslaved people at its center This timely and eloquent book tells a new history of American art how enslaved people mobilized portraiture for acts of defiance Revisiting the origins of portrait painting in the United States Jennifer Van Horn reveals how mythologies of whiteness and of nation building erased the aesthetic production of enslaved Americans of African descent and obscured the portrait s importance as a site of resistance Moving from the wharves of colonial Rhode Island to antebellum Louisiana plantations to South Carolina townhouses during the Civil War the book illuminates how enslaved people s relationships with portraits also shaped the trajectory of African American art post emancipation Van Horn asserts that Black creativity subjecthood viewership and iconoclasm constituted instances of everyday rebellion against systemic oppression Portraits of Resistance is not only a significant intervention in the fields of American art and history but also an important contribution to the reexamination of racial constructs on which American

Vanity Fair, 2003 GUMBO YA-YA Robert Tallant, Lyle Saxon, 1987-05-31 The living folklore of Louisiana returns in this new edition of the classic Gumbo Ya Ya. Long considered the finest collection of Louisiana folk tales and customs, Gumbo Ya Ya chronicles the stories and legends that have emerged from the bayou country. Meet the Krewe of Zulu, New Orleans' most colorful all-black Carnival club, and the many tribes of Indians who help celebrate Mardi Gras with their fierce pageantry. Listen to the street criers entice customers to buy their goods. Produce peddlers hawk watermelon, cantaloupe, snap and butter beans, and strawberries. The charcoal man sells fuel to stoke the wash day fires, while the kindling man offers to saw two cords for a dollar and dinner. Zabette and Rose Gla dispense the choicest coffee available in the French Quarter of New Orleans. The bottle man collects old bottles, rags, and bones, driving a hard bargain with the children who expect handfuls of peppermints, whistles, horns, and rattles for their hoards of treasure. All aspects of society are detailed in this wonderful album of Louisiana tradition: the Vieux Carré Creoles with their strict codes of family honor; the burly Irish Channel immigrants; the lively Italians who still honor St. Joseph and St. Rosalia with all the pomp of the Old Country; and the fun-loving Cajuns with their curious family names and spirited *fais do do*. There's no escaping superstition and voodoo in Louisiana. Several sections explain the customs and beliefs that have sprung up over the centuries. Always burn onion peels to ensure a steady supply of money. Sprinkle nutmeg in a woman's left shoe every night at midnight to drive her crazy. Kiss your elbow to change your sex. Gumbo Ya Ya: Everybody Talks at Once is a charming look at the legends and practices of Louisiana, particularly New Orleans. Originally written as part of the WPA's Louisiana Writers Program, it has endured as a classic of its genre and is again available in a beautiful Pelican edition. **TLA Film and Video Guide** David Bleiler, 1999 Detailed indexes by star, director, genre, country of origin, and theme. Lavishly illustrated with over 450 photos. Comprehensive selection of international cinema from over 50 countries. Over 9,000 films reviewed. Up-to-date information on video availability and pricing. Appendices with award listings. TLA Bests and recommended films. **Forthcoming Books** Rose Arny, 2003-04 *Motion Picture Story Magazine*, 1929
