Hunting Dogs Oliver Hartley, 1909 Describes in a practical manner the training of dogs for hunting use **Hunting Dogs** Oliver Hartley, 2022-09-16 In *Hunting Dogs* by Oliver Hartley the reader is taken on a journey through the obscure world of underground dog fighting in rural America Hartley's gritty and raw writing style brings to light the brutality and desperation of the characters involved in this illegal and inhumane sport The book seamlessly blends elements of crime fiction with a social commentary on the ethical treatment of animals leaving the reader questioning the depths of human depravity Hartley's writing is reminiscent of Truman Capote's *In Cold Blood* with its unflinching look at a dark and hidden subculture The vivid imagery and vivid characterizations make *Hunting Dogs* a gripping and unsettling read that will stay with the reader long after finishing the last page Oliver Hartley's background as a journalist covering crime and animal rights issues provides insight into the motivations behind writing a book that exposes the harsh realities of dog fighting The author's dedication to shedding light on such a controversial topic makes *Hunting Dogs* a must read for those interested in thought provoking and impactful literature **The Hunting Dog Trainer's Handbook** Barrett
