Contemporary Crafts Imogen Racz, 2009-01-15 This book explores craft practices in both North America and Britain revealing an astonishingly rich and diverse picture of artisanal work today The text ranges across both urban and rural crafts and analyzes how the country city dichotomy creates differing approaches practices and objects Analyzed in the context of their environment and its localized history crafted objects are shown to embody or critique particular urban rural myths and traditions Covering both traditional and cutting edge crafts from the small scale domestic to large outdoor works Contemporary Crafts demonstrates how crafts people today are responding to the changing creative contexts of culture and history

The Invention of Art Larry Shiner, 2001-09 Larry Shiner challenges our conventional understandings of art and asks us to reconsider its history entirely arguing that the category of fine art is a modern invention and that the lines drawn between art and craft emerged only as the result of key European social transformations during the long eighteenth century
