another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens. Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king's southern part of his kingdom. While the two girls travel to each maiden's territory they're faced with perils and trials on the way. So no one can say that the girls don't have their hands full yet during their goodwill mission they'll meet wonderful people of foreign tongues and cultures between the maidens' territories. Also Arabella and her companion will develop a meaningful relationship with each other that's binding for life. They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won't be successful. This Arabella learned from her first journey and more so in this second journey. One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way. If Arabella is thinking her first and previous journey was overwhelming then she'll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion's faith may be tested. Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday.

Seasons of Splendour Madhur Jaffrey, 2022-11-01 A vibrant collection of Indian myths and legends illustrated in beautiful watercolors and told by one of India's sparkling personalities Madhur Jaffrey. Seasons of Splendour is a richly illustrated treasury of stories about Indian gods and goddesses, kings and queens, princes and demons. Here are engaging and beautifully told tales of Krishna, Ram and Sita along with stories based on the Hindu epics the Ramayana and Mahabharata as well as others of ancient origin with no known source. When Madhur Jaffrey was a young girl growing up in her grandfather's house in Delhi, storytelling was an integral part of life. After dinner she would huddle with her cousins and siblings around a seated aunt, grandmother or mother and listen. This collection contains those enduring stories, each one introduced by a vivid childhood memory or humorous anecdote and arranged in the sequence in which they were told in conjunction with religious festivals throughout the Hindu calendar year. From April to April here is a year's worth of tales, myths and legends, a cycle of stories to read aloud, illustrated in full color with Michael Foreman's sumptuous watercolor paintings. Also included is a Who Is Who and What Is What glossary and English pronunciation guide for curious young readers.
