The lost ambassador. [v.4.] Mr. Grex of Monte Carlo. [v.5.] Peter Ruff and the double-four. [v.6.] The traitors. [v.7.] The vanished messenger Edward Phillips Oppenheim,1920 The Traitor's Wife Kathleen Kent,2010-11-08

In the harsh wilderness of colonial Massachusetts Martha Allen works as a servant in her cousin's household taking charge and locking wills with everyone Thomas Carrier labors for the family and is known both for his immense strength and size and mysterious past The two begin a courtship that suits their independent natures with Thomas slowly revealing the story of his part in the English Civil War But in the rugged new world they inhabit danger is ever present whether it be from the assassins sent from London to kill the executioner of Charles I or the wolves in many forms who hunt for blood A love story and a tale of courage The Wolves of Andover confirms Kathleen Kent's ability to craft powerful stories of family from colonial history The Traitor's Niche Ismail Kadare,2019-06-11

Kadare is inevitably linked to Orwell and Kundera but he is a far deeper ironist than the first and a better storyteller than the second He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality The New Yorker At the heart of the Ottoman Empire in the main square of Constantinople a niche is carved into ancient stone Here the sultan displays the severed heads of his adversaries People flock to see the latest head and gossip about the state of the empire the province of Albania is demanding independence again and the niche awaits a new trophy Tundj Hata the imperial courier is charged with transporting heads to the capital a task he relishes and performs with fervor As he travels through obscure and impoverished territories he makes money from illicit side shows offering villagers the spectacle of death The head of the rebellious Albanian governor would fetch a very high price indeed The Traitor's Niche is a surreal tale of tyranny and rebellion in a land where armies carry scarecrows state officials ban entire languages and the act of forgetting is more complicated than remembering Long listed for the 2017 Man Booker International Prize The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time and he is still a good bet to win it one of these days He is seemingly incapable of writing a book that fails to be interesting The New York Times
