**The Hanging on Union Square** H. T. Tsiang, 2019-05-21 A subversively comic genre bending satire of bourgeois life by an essential Chinese American voice featuring an introduction by New Yorker writer Hua Hsu author of the Pulitzer Prize winning memoir Stay True A Penguin Classic It s Depression era New York and Mr Nut an oblivious American everyman wants to strike it rich even if at the moment he s unemployed with no job prospects in sight Over the course of a single night in a narrative that unfolds hour by hour he meets a cast of strange characters disgruntled workers at a Communist cafeteria lecherous old men sexually exploited women pesky authors who eventually convince him to cast off his bourgeois aspirations for upward mobility and become a radical activist Absurdist inventive and suffused with revolutionary fervor and culminating in a dramatic face off against capitalist power in the figure of the greedy businessman Mr System The Hanging on Union Square is a work of blazing wit and originality More than eighty years after it was self published having been rejected by dozens of baffled publishers it has become a classic of Asian American literature a satirical send up of class politics and capitalism and a shout of populist rage that still resonates today

Foxworthy, 2008-10 No place in America escaped the impacts of the Great Depression from 1929 to 1939 Even the quiet orchard filled Entiat Valley of the author's boyhood suffered its cruel effects Making Do and Hanging On Growing Up in Apple Country Through the Great Depression presents the author's recollections during those mean years memories of local conditions and events and of his family's coping with seemingly endless setbacks in its struggles upward These memoirs sometimes stark sometimes poignant sometimes touched with humor call up thought provoking parallels to modern events **Holding Out and Hanging on**, 2007 Words cannot adequately convey the human dimension of the devastation wreaked on New Orleans by Hurricane Katrina Thomas Neff's photographs can As a volunteer in the city in the early days after the flood this Baton Rouge photographer witnessed firsthand the confusion and suffering that was New Orleans as well as the persistence and strength of those who stuck it out Neff subsequently spent forty five days interviewing and photographing the city's holdouts and his record is a heartbreaking but compelling look at the true impact of the disaster At a time when New Orleans residents felt isolated and abandoned Neff provided the ear that many needed The friendship he extended enabled him to capture remarkable images and to write sensitive commentaries that approach his subjects from a uniquely personal perspective Here are Antoinette K Doe assessing the future of her ruined Mother in Law Loun Juan Parke who ferried scores of people to safety in his silver canoe Ashton O Dwyer defending his property from looters Ride Hamilton pausing in his work as a freelance medic These portraits and dozens more tell the story of the storm through many voices and collectively they tell a story of their own Other books have documented the wrath of Katrina but none has captured the human dimension as powerfully as Holding Out and Hanging On Through these intimate intense images readers will meet people from all walks of life who are exhausted by grief and shock but who are determined to hold on to their culture and their city Neff's gripping black and white images and equally poignant narratives show individuals who are reorganizing their lives trying to maintain their individuality and even enriching their souls as they help one another These are the stories that New Orleans citizens told each other a view of the disaster not captured by the news cameras and photographs that show the city as it knows itself Together Neff's portraits and stories form a sensitive documentary of survival and stand as a testament to the extraordinary individuals who endured one of the most calamitous disasters of our time **Hanging on for Dear Life** Olivia Kay Knowles, 2018-04-11 There's nothing exciting about being forced into the fraternity of hurting parents but once there the question becomes one of survival for you your young adult offspring your family and the relationships you all share How do you deal with the issues and heartache that accompany the drama And if you're a Christian how do you reconcile your understanding of who God is with the situation in which you find yourself For most parents understandably the question becomes How can I get through to my son daughter

But the question that really needs to be asked may be How can I get a grip on myself so I don't do things that make matters worse This book is a toolkit filled little by little one tool one difficulty at a time With these tools the Lord Jesus Christ upheld me firmly but tenderly showed me options that lay before me and helped me navigate giving me fresh perspective in the midst of heart wrenching challenges I shudder to think how I might have responded absent His help Amazingly often unbeknown to me at the same time the Lord was helping me He was wonderfully at work in the lives of our young adult children and our family as a whole My toolkit is something I wish I'd never needed but over time it has become a treasure for which I am deeply grateful I humbly share my treasure with you
