A Hangman's Diary Franz Schmidt, 1929 *Hangman's Holiday* Dorothy L. Sayers, 2022-08-16 In *Hangman's Holiday* Dorothy L Sayers presents a captivating collection of short stories that feature her renowned detective Lord Peter Wimsey. Set against the backdrop of post World War I England, the tales weave together elements of mystery, wit, and social commentary, showcasing Sayers' signature mix of clever plotting and sharp dialogue. The literary style exemplifies the Golden Age of detective fiction, balanced between intellectual rigor and engaging narratives that invite readers to solve the puzzles alongside the characters. The stories intrigue with their exploration of justice, morality, and the human condition, often revealing the complexities of crime and the psychological motivations behind them. Dorothy L Sayers was not only a prolific writer but also a scholar, translator, and playwright. Her academic background in modern languages and her passion for the intricacies of the human psyche deeply influenced her work. Sayers' experience in the workforce and her keen observations of society's nuances are evident throughout *Hangman's Holiday*, allowing her to elevate the genre beyond mere entertainment and into the realm of profound literary exploration. Recommended for both fans of classic mystery and newcomers to Sayers' oeuvre, *Hangman's Holiday* serves as a testament to her remarkable ability to blend captivating storytelling with intellectual depth. This collection is sure to enthrall readers with its intricate plots and richly drawn characters, making it a compelling addition to any literary library.

The Hangman's Secret Laura Joh Rowland, 2019-01-08 Intrepid photographer Sarah Bain and her motley crew of detectives are back to hunt criminals in the seedy underbelly of Victorian London, but little do they know the darkness may lurk closer than they first divined. Photographer Sarah Bain and her friends Lord Hugh Staunton and sometime street urchin Mick O'Reilly are private detectives with a new gig: photographing crime scenes for London's *Daily World* newspaper. The *Daily World* is the latest business venture of their sole client, Sir Gerald Mariner, a fabulously wealthy and powerful banker. One cold, snowy January morning, Sarah, Hugh, and Mick are summoned to the goriest crime scene they've ever encountered. A pub owner named Harry Warbrick has been found hanged and decapitated, amid evidence of foul play. His murder becomes a sensation for being England's top hangman, but was met with the same fate that he inflicted on hundreds of criminals. Sir Gerald announces that the *Daily World*, meaning Sarah and her friends, will investigate and solve Harry Warbrick's murder before the police do. The contest pits Sarah against the man she loves, Police Constable Barrett. She and her friends discover a connection between Harry Warbrick's murder and the most notorious criminal he ever executed, Amelia Carlisle, the Baby Butcher, who murdered hundreds of infants placed in her care. Something happened at Amelia's execution. The Official Secrets Act forbids the seven witnesses present to divulge any information about it. But Harry had a bad habit of leaking tips to the press. Sarah and her friends suspect that one of the other witnesses killed Harry to prevent him from revealing a secret related to the execution. What is the secret, and who hanged the hangman? From award-winning author Laura Joh Rowland, *The Hangman's Secret* builds suspense about the darkness that lurks within and the deadly
