**Hangman's Row** Aaron Marc Stein, 1982      *The Hangman's Replacement* Taona D. Chiveneko, 2013-01-15 If you had to interview the candidates for a country's new hangman what questions would you ask them If your family was on the verge of starvation and becoming a hangman was the only job available would you apply If you were hired what would you do if the prisoners looked like your loved ones If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement      *Hangman's Brae* Colin Duncan, Norman Adams, 2013-02-21 Hangman's Brae is a vividly written account of the blood curdling crimes and brutal forms of punishment of north east Scotland The book explores the area's underworld and features the grave robbers jail breakers rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden a gruesome decapitating device predating the French guillotine The stories of the men who enforced the law and meted out sentences to the ne'er-do-wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams introduces the reader to some of them Here you'll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man once spending two chilling nights chained to a brutal murderer and rapist And it wasn't just hangings that these men had to perform their grisly work also involved execution by beheading and drowning often with some witch burning for good measure The many true crime cases in this book shed new light on just how violent and bloody the north east of Scotland's past was      *Hangman's Creek* Matt Braun, 2002-03-15 From a master storyteller of frontier history the saga of a rancher who goes undercover to chase horse thieves and discovers his true destiny Elmer Kelton award winning author of *The Good Old Boys* Texas rancher Ben Langham hired Luke Starbuck for his loyalty and toughness gained by riding with Rip Ford's Texas volunteers But when Langham sent Starbuck after a band of horse thieves a loyal man left behind the only home he had ever known and met the stranger in himself One man found a home To track down a thief Starbuck posed as an outlaw misled his woman and killed to protect his own life Then he rode into a kingdom of vicious horse thieves and entered into a fierce duel with a criminal mastermind hiding behind a respectable life Somewhere along the line honest hardworking Starbuck discovered that he was a changed
