Hank Of The Hoods:

Infection's Revenge Daron Malmberg, 2013-06 Hank is mowing his lawn when a horrifying blast rocks his world He sees a mushroom cloud rise over a distant valley and runs for shelter in his fruit cellar In a matter of minutes the only life Hank knows has disappeared Nine months after the nuclear bomb explodes resources are stretched thin as greed fear and self preservation trump morals ethics and civilized behavior Led by his animalistic instinct to survive Hank becomes a nomad as he attempts to escape the hordes of undead rising in his city as well as his own conscience With his life now reduced to eluding the relentless rotting walking corpses and lurking diseased hiders Hank spends his few peaceful moments battling guilt for not pursuing his dream of becoming an ordained minister As he struggles with his fading religious beliefs and the stark reality of not knowing who he can trust he soon realizes he is not alone in this godless existence From within the dark shadows a new enemy emerges that poses an even greater threat than the undead As the world sits on the brink of nuclear war in an effort to stop a cataclysmic infection one man embarks on a perilous journey for survival without any idea that the government may have its own plans for his future

He married, acquired his own farm, and taught his children how to sustain both their bodies and souls. Thanks to my mother, a teacher, and my father, a preacher, I lived a childhood rich in the black culture of the segregated South. It fueled my ambition to overcome the challenges of building an education career before and during the civil rights era. The hoax succeeds beyond his wildest dreams and sets into motion a chain of events that bring a real extraterrestrial presence into the open. Earth is rocked by global catastrophe on a level never before imagined, and humanity is confronted by the prospect of alien invasion. Hank discovers a conspiracy as old as time itself. He learns he is responsible for the calamity facing humanity, and what's more, he learns he is the one man capable of exposing the truth that may lead to mankind's salvation. On its exterior, *Paradigm Shift* engages the reader with a visual action-packed Hollywood-styled blockbuster, but on a deeper psychological level, the reader is taken along the hero's mythic journey to ultimately confront the true nature of humanity.
