Magic Flutes and Enchanted Forests David J. Buch, 2009-08-01 Drawing on hundreds of operas singspiels ballets and plays with supernatural themes Magic Flutes and Enchanted Forests argues that the tension between fantasy and Enlightenment era rationality shaped some of the most important works of eighteenth century musical theater and profoundly influenced how audiences and critics responded to them David J Buch reveals that despite and perhaps even because of their fundamental irrationality fantastic and exotic themes acquired extraordinary force and popularity during the period pervading theatrical works with music in the French German and Italian mainstream Considering prominent compositions by Gluck Rameau and Haydn as well as many seminal contributions by lesser known artists Buch locates the origins of these magical elements in such historical sources as ancient mythology European fairy tales the Arabian Nights and the occult He concludes with a brilliant excavation of the supernatural roots of Mozart's The Magic Flute and Don Giovanni building a new foundation for our understanding of the magical themes that proliferated in Mozart's wake

brave and determined they were After they finished their job the Squad accepted their place in history knowing that the magical woods would always show the mark of their bravery As the Squad said goodbye to their active jobs their souls stayed tied to the magical forest they had been protecting Their heritage was kept alive by the new guardians who kept their work going The magical forest grew and became a place of peace and beauty that will always be grateful to the Spinosaurus Squad for their unwavering commitment The story of the Spinosaurus Squad is a tribute to the power of bravery togetherness and the desire to protect what is important It tells us that heroes can come out of bad situations and make other people want to be like them The Squad s adventures showed us that if we all work together we can get through any problem and keep our countries looking beautiful The beginning of the story The Spinosaurus Squad used to live in a country with lush woods and sparkling rivers They were a group of amazing animals The land they lived on was full of tall trees and bright flowers and it was a beautiful place to live The smell of wildflowers filled the air and the songs of birds could be heard all through the thick forest The Spinosaurus Squad was not like any other group of dinosaurs They have special skills that set them apart from everyone else Each member of the Squad had different skills and worked well together to make a strong team Their strength and intelligence were only matched by their loyalty to their land and the people who lived there Spike the smart and brave leader of the Squad was the heart of the Squad Spike was a beautiful Spinosaurus with a strong personality and a sharp mind His deep golden eyes showed years of experience and his tall height made people feel both awe and respect Spike was very close to the land and knew its rhythms and details better than anyone else Under Spike s direction the Spinosaurus Squad had promised to protect their area from any threats that came their way They were in charge of keeping the delicate balance between the animals and their surroundings in the forest Whether it was a natural disaster or an attack by bad forces the Squad was ready to deal with anything that could disrupt the peace at home The Squad s scout was Ruby a smart and quick raptor She kept her sharp eyes and quick reflexes on the land always looking for signs of trouble The Squad needed her because she could move quickly and quietly through the thick bush Rocky a strong and scary triceratops kept watch over the Squad He charged into fighting without fear using his strong horns and tough armor to protect his allies His loud roar sent shivers down the backs of any enemies who tried to get in their way Rosie a beautiful brachiosaurus made the place peaceful by being kind Her huge size let her climb to the tops of the tallest trees and share the leaves with other animals who were hungry The animals in the forest felt calm and at peace when Rosie was around and her calming voice helped those who were hurting The Spinosaurus Squad went on many adventures together because they wanted to protect their country and the people who lived there They had to get through dangerous landscapes fight scary animals and outsmart smart enemies Even so their relationship grew stronger and they could always trust each other The Spinosaurus Squad s bravery and willingness to help others made other animals want to fight for their homes and protect the wild world They became legendary figures that parents told their young as bedtime stories The Spinosaurus Squad stood guard over the land making sure that its

beauty and peace would last for years to come in the country of green woods and sparkling rivers And as long as there were threats to their home Spike the Squad's smart and unbeatable leader would keep them strong and ready to face any problem A light breeze quickly carried a telegram to the Squad as they were meeting at their secret base on a beautiful morning The seal of the Forest Elders who lived deep in the magical woods and were very wise was on the message As Spike the head of the Spinosaurus Squad broke the seal and spread out the paper the tension in the room grew His eyes looked over the message and as he read each word his face became more serious The bad news that the messenger brought made them shiver was that evil goblins had moved into their beloved land The once peaceful bush was now being tormented by their bad behavior These bad monsters were making trouble causing confusion scaring the animals and upsetting the peace and quiet that had been in the woods The silence in the Squad was broken by Spike's dominant voice My fellow protectors of the land we're facing a big problem The Forest Elders are counting on us to help and we won't let them or our home down The Spinosaurus Squad didn't spend any time They quickly came up with a plan to get rid of the goblins and bring peace back to their land Ruby would sneak up on the goblins and use her sharp senses to find out where they were Rocky's intimidating strength would protect his friends from harm during the fight Rosie's caring attitude would calm and encourage the scared animals making them feel better and giving them hope The Squad went deep into the enchanted woods bringing with them their special skills and a strong will The once busy and friendly forest now gave off a feeling of fear as if the trees themselves were whispering warnings of approaching disaster Ruby's sharp eyes caught glimpses of the goblins' tracks and the messes they left behind as they moved The damage done by the goblins really upset the Squad which made them even more determined to put an end to the chaos They finally got to the goblins' home which was a dark scary cave hidden by twisted roots and moss covered rocks The door had a strange feeling like it was hiding secrets as dark as the night Even so the Spinosaurus Squad was not afraid and ready to face whatever evil was inside Spike led them cautiously into the cave where their eyes had to get used to the dark light As they went deeper into the maze of hallways the smell of goblin trouble got stronger The goblins' evil laughter filled the cave It was a terrible sound that made even the bravest people cringe The Spinosaurus Squad and the goblin attackers got into a fierce fight Ruby moved quickly and hit her with her claws which were very sharp Rocky charged with unbeatable strength his horns and protective hide making it impossible to hurt him Rosie's relaxing presence made the scared animals feel better so they could run away to safety The Squad's biggest strength turned out to be their unwavering determination and unity The goblins were overpowered by their coordinated attacks and unwavering resolve They were up against a force they hadn't expected As the goblins ran away they became less dangerous and the Spinosaurus Squad gained the upper hand As soon as the last goblin ran back into the bush peace came back to the land The animals came out from where they had been hiding with thanks in their eyes They danced and sang happy that peace and unity had been restored
