## **Enchanted Love Signed:**

*Who Will Bring Me Home?* Jan Willem Kirpestein, 2023-10-06 This book is a profound meditation on power and love and in its wake on trust and hope The author offers a new approach of these ancient biblical values If human love is fascinated by power what is power's attraction and charm Love is fascinated by a promise of rootedness in a real future life This promise is experienced as a revelation of our true home It means that human love is expecting something from the one who possesses power Is he or she able to make the promise true Power should be cute otherwise it will be experienced as a repulsive force However without the possibility to become a repulsive force power is unable to unveil its executing force But the promise needs to be unconditional Love is a movement of one's free will Therefore love can become disappointed How were love trust and hope at work in relation to God's revelation in the Torah and at work in the consciousness and life of Jesus Christ What does that mean for us
