**F. Scott Fitzgerald**

## **Enchanted Places The Use Of Setting In F Scott Fitzgeralds Fiction:**

*Enchanted Places* Aiping Zhang,1997-09-30 Presents information about Enchanted Places The Use of Setting in F Scott Fitzgerald s Fiction a book by Aiping Zhang that traces the use of domestic and urban settings in the writings of American writer Francis Scott Key Fitzgerald 1896 1940 Contains summaries of the book s chapters as well as ordering information

*The Cambridge Companion to F. Scott Fitzgerald* Ruth Prigozy,2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work

**Tales of the Jazz Age** F. Scott Fitzgerald,Anne Margaret Daniel,2023 I tender these tales of the Jazz Age into the hands of those who read as they run and run as they read F Scott Fitzgerald chose the stories for his second collection when he was just twenty five years old and in the full flush of wild literary success Tales of the Jazz Age is a quirky electrifying selection reaching back into his college days and includes new stories showing Fitzgerald s strengths not only as one of America s leading short story authors in the early 1920s but as a playwright farcical satirist melodramatist and fantastical novella writer He went in all these directions with equal ease and flash in 1922 Tales of the Jazz Age was a bestseller then and remains so now In these eleven stories Fitzgerald establishes the style that was to make him one of the greatest American writers of the twentieth century

**A Historical Guide to F. Scott Fitzgerald** Kirk Curnutt,2004 The historical context of Fitzgerald s writing is explored in these essays which among other topics discuss the literary marketplace of the 1920s 1930s the influence of public figures such as Walter Lippmann the mass market motion pictures the aftermath of the Great War

**The Beautiful and Damned** F. Scott Fitzgerald,2022-06-23 The victor belongs to the spoils F Scott Fitzgerald s second novel The Beautiful and Damned 1922 is a devastating portrait of a generation of wealthy young Americans who struggle to find meaning and happiness in their lives The sophisticated but emotionally fragile Anthony Patch enjoys an initially idyllic marriage to the beautiful Gloria Gilbert But their intense romance turns sour as they waste their time and energy in decadent leisure and luxury Their happiness comes to depend on gaining a vast inheritance from Anthony s grandfather but they are stifled by their inner fears and are ill prepared for the inevitable loss of youth and prosperity Set amid the vibrant social and commercial world of New York in the early twentieth century the novel expresses the promise and disillusionment of America at the start of the Jazz Age This is the novel that confirmed Fitzgerald s status as the most celebrated young American writer

of the Twenties The author's exuberant and enchanting style is on full display three years before the critical triumph of *The Great Gatsby* ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *This Side of Paradise* F. Scott

Fitzgerald,2009-11-12 to write it took three months to conceive it three minutes to collect the data in it all my life F Scott Fitzgerald's first novel *This Side of Paradise* tells the story of Amory Blaine as he grows from pampered childhood to young adulthood and learns to know himself better At Princeton he becomes a literary aesthete and makes friends with other aspiring writers As he moves out into the world and tries to find his true direction he falls in love with a succession of beautiful young women Youthful exuberance and immaturity give way to disillusion and disappointment as Amory confronts the realities of life A thinly disguised account of Fitzgerald's own Princeton years the novel's frank description of Amory's love affairs shocked and delighted its first readers and the book was an immediate success Brilliant and original in style and structure it was a spectacular launching for Fitzgerald's career and instantly stamped him as the bard of the Jazz Age ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Flappers and Philosophers** F. Scott Fitzgerald,Kirk

Curnutt,2020-05-28 Lie to me by the moonlight Do a fabulous story F Scott Fitzgerald's first story collection *Flappers and Philosophers* appeared in 1920 on the heels of his debut novel *This Side of Paradise* and immediately established him as a master of popular fiction Love stories such as *The Offshore Pirate* and *Head and Shoulders* capture the spectacle and fantasy of the Jazz Age celebrating that modern icon of feminine self possession the flapper while comedies of manner like *Bernice Bobs Her Hair* and *The Ice Palace* showcase Fitzgerald's eye for humour In addition to these four classic tales which first appeared in *The Saturday Evening Post* this edition highlights the author's proficiency with other crowd pleasing story types from Gothic fiction *The Cut Glass Bowl* to didactic moral stories *The Four Fists* from satire *Dalrymple Goes Wrong* to spiritual quests *Benediction* Fitzgerald tried his hand at many genres and succeeded at all *This Side of Paradise* Francis

Scott Fitzgerald,2020 *This Side of Paradise* tells the story of Amory Blaine as he grows from pampered childhood to young adulthood and learns to know himself better F Scott Fitzgerald's first novel it made him instantly famous and stamped him as the bard of the Jazz Age **The Post-Utopian Imagination** M. Keith Booker,2002-01-30 In America the long 1950s were marked by an intense skepticism toward utopian alternatives to the existing capitalist order This skepticism was closely related to the climate of the Cold War in which the demonization of socialism contributed to a dismissal of all alternatives to

capitalism This book studies how American novels and films of the long 1950s reflect the loss of the utopian imagination and mirror the growing concern that capitalism brought routinization alienation and other dehumanizing consequences The volume relates the decline of the utopian vision to the rise of late capitalism with its expanding globalization and consumerism and to the beginnings of postmodernism In addition to well known literary novels such as Nabokov's *Lolita* Booker explores a large body of leftist fiction popular novels and the films of Alfred Hitchcock and Walt Disney The book argues that while the canonical novels of the period employ a utopian aesthetic that aesthetic tends to be very weak and is not reinforced by content The leftist novels on the other hand employ a realist aesthetic but are utopian in their exploration of alternatives to capitalism The study concludes that the utopian energies in cultural productions of the long 1950s are very weak and that these works tend to dismiss utopian thinking as naïve or even sinister The weak utopianism in these works tends to be reflected in characteristics associated with postmodernism

*The Divine and Human Comedy of Andrew M. Greeley* Allienne R. Becker, 2000-08-30 The volume approaches Greeley's novels by comparing him to the 19th century French writer Honoré de Balzac A prolific and popular author Balzac recorded his milieu in tremendous detail created a fictional universe peopled by hundreds of characters and explored the role of Catholicism in his world Because of his training as a sociologist Greeley brings to his novels a thorough knowledge of popular culture and social theory And because of his experience as a Roman Catholic priest he has gained special knowledge of vice virtue and the workings of the Church Like Balzac now a major canonical author Greeley has created a world of numerous fictional persons mapped the details of his culture and explored the place of Catholicism in contemporary life

**The Beautiful and Damned** Francis Scott Fitzgerald, 2022 The Beautiful and Damned is a devastating portrait of a generation of wealthy young Americans who struggle to find meaning and happiness told through the lives of Anthony Patch and Gloria Gilbert This is the novel that confirmed Fitzgerald's status as the most celebrated young American writer of the Twenties

Careless People Sarah Churchwell, 2015-01-27 Originally published London Virago 2013

**Tales of the Jazz Age** F. Scott Fitzgerald, 2012-06-14 I tender these tales of the Jazz Age into the hands of those who read as they run and run as they read Tales of the Jazz Age 1922 was Fitzgerald's second collection of short stories and it contains some of the best examples of his talent as a writer of short fiction Often overshadowed by his major novels Fitzgerald's short stories demonstrate the same originality and inventive range as he chronicles with wry and astute observation the temper of the hedonistic 1920s In *May Day* and *The Diamond as Big as the Ritz* two of his greatest stories he conjures up the spirit of the age in other stories he adopts a variety of forms parody a one act play fantasy with unrivalled versatility *The Curious Case of Benjamin Button* a tale of a man living his life backwards features among the *Fantasies* in Fitzgerald's self deprecatory *Table of Contents* alongside the groupings *My Last Flappers* and *Unclassified Masterpieces* In these eleven stories Fitzgerald establishes the style that was to make him one of the greatest American writers of the twentieth century

ABOUT THE SERIES For over 100 years Oxford World's

Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

**Encyclopedia of American Urban History** David Goldfield, 2007 Publisher description *Encyclopedia of the American Novel* Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this

**English-Speaking Towns and Cities: Memoirs and Narratives** Glain Olivier, 2020-09-18 This book relies on a multidisciplinary approach that allows the authors to bear witness to the realities and representations of various urban environments in the English speaking world in complementary ways They deal with the motifs of urban identity and expression from several methodological and theoretical perspectives sociolinguistics soundscapes architecture stylistics literature This book analyses the representations of and the changes in urban identity through different forms of linguistic and artistic expression associated with several English speaking towns and cities The protagonists are in order of appearance Sydney Melbourne Manchester Liverpool Glasgow Houghton le Spring Kolkata New York City London Sheffield Aberdeen Dublin and Edinburgh Cet ouvrage s'appuie sur une approche pluridisciplinaire qui permet de rendre compte des réalités et des représentations d'environnements urbains anglophones de manière complémentaire Les auteurs abordent la question de l'identité et de l'expression urbaine selon des perspectives méthodologiques et théoriques diverses sociolinguistique environnement sonore architecture stylistique littérature L'ouvrage vise rendre compte des représentations et des mutations identitaires des villes anglophones travers des modes d'expression linguistiques et artistiques qui leur sont propres Les protagonistes sont par ordre d'apparition Sydney Melbourne Manchester Liverpool Glasgow Houghton le Spring Kolkata New York Londres Sheffield Aberdeen Dublin et Edimbourg

Expatriate American Authors in Paris Michael Grawe, 2001-03-05 Inhaltsangabe Abstract Paris has traditionally called to the American heart beginning with the arrival of Benjamin Franklin in 1776 in an effort to win the support of France for the colonies War of Independence Franklin would remain in Paris for nine years returning to Philadelphia in 1785 Then in the first great period of American literature before 1860 literary pioneers such as Washington Irving James Fenimore Cooper Henry Wadsworth Longfellow Ralph Waldo Emerson and Nathaniel Hawthorne were all to spend time in the French capital Henry James toward the close of the nineteenth century was the first to create the image of a talented literary artist who was ready to forego his citizenship From his adopted home in England he traveled widely through Italy and France living in Paris for two years There he became close friends with another literary expatriate Edith Wharton who made Paris her permanent home Between them they gave the term expatriate a high literary polish at the turn of the century and their prestige was undeniable They were the cosmopolitans sought out by traveling Americans commented on in the press the favored guests of scholars as well as men and women of affairs This thesis investigates the mass expatriation of Americans to

Paris during the 1920s and then focuses on selected works by two of the expatriates Ernest Hemingway's *The Sun Also Rises* 1926 and F Scott Fitzgerald's *The Great Gatsby* 1925 The specific emphasis is on disillusionment with the American lifestyle as reflected in these novels The two books have been chosen because both are prominent examples of the literary criticism that Americans were directing at their homeland from abroad throughout the twenties In a first step necessary historical background regarding the nature of the American lifestyle is provided in chapter two This information is included in order to facilitate a better understanding of what Hemingway and Fitzgerald were actually disillusioned with Furthermore that lifestyle was a primary motivating factor behind the expatriation of many United States citizens Attention is given to the extraordinary nature of the American migration to Paris in the twenties as the sheer volume of exiles set it apart from any expatriation movement before or since in American history Moreover a vast majority of the participants were writers artists or intellectuals a fact which suggests the United States during

### **Asian American Short Story Writers** Guiyou

Huang, 2003-06-30 Asian America has produced numerous short story writers in the 20th century Some emerged after World War II yet most of these writers have flourished since 1980 The first reference of its kind this volume includes alphabetically arranged entries for 49 nationally and internationally acclaimed Asian American writers of short fiction Each entry is written by an expert contributor and includes a biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies Writers include Frank Chin Sui Sin Far Shirely Geok lin Lim Toshio Mori and Bharati Mukherjee An introductory essay provides a close examination of the Asian American short story and the volume closes with a list of works for further reading

### **Solitude and Society in the Works of Herman Melville and Edith**

**Wharton** Linda C. Cahir, 1999-02-28 The interplay between solitude and society was a particularly persistent theme in nineteenth century American literature though writers approached this theme in different ways Poe explored the metaphysical significance of isolation and held solitude in high esteem Hawthorne viewed the theme in moral terms and examined the obligation of each individual to the larger community and Emerson maintained that the contradictory states of self reliance and solidarity are fundamental to human happiness Herman Melville emerged with an ontological response to this issue Questioning the nature of being he argued that humans are essentially isolated creatures While he grants that we are free to choose how we conduct our lives whether in solitude or in society we cannot escape the essential condition of our alienation Thus in *Moby Dick* he coins the term *Isolato* to signify the inherent separateness of all individuals Writing some fifty years later Edith Wharton reached the same conclusion This book argues that Wharton's views on solitude and society were strongly parallel to those of Melville Scholars have generally held that Wharton was primarily influenced by the great English French and Russian writers of the nineteenth century and that with the exception of Walt Whitman Ralph Waldo Emerson and Henry James she neglected the influence of American literature almost entirely This study demonstrates that Wharton read a significant portion of Melville's writings that she reflected on the nature and achievement of his works and

that her consideration of his importance emerged during very significant moments in her life when she was forced to grapple with her own place as an individual in relation to a larger community Though Melville and Wharton initially seem disparate this book shows that they had much in common By studying the two authors side by side this volume reveals that they shared a similar way of seeing the world particularly with respect to their considerations of solitude and society Through their solitary characters Melville and Wharton question the relationship of self and society and thus engage a universal problem of special interest to the nineteenth century

*F. Scott Fitzgerald's Fiction* John T. Irwin, 2014-03-28 A personal interpretation of one of America's most important writers Fitzgerald's work has always deeply moved me writes John T Irwin And this is as true now as it was fifty years ago when I first picked up *The Great Gatsby* I can still remember the occasions when I first read each of his novels remember the time place and mood of those early readings as well as the way each work seemed to speak to something going on in my life at that moment Because the things that interested Fitzgerald were the things that interested me and because there seemed to be so many similarities in our backgrounds his work always possessed for me a special personal authority it became a form of wisdom a way of knowing the world its types its classes its individuals In his personal tribute to Fitzgerald's novels and short stories Irwin offers an intricate vision of one of the most important writers in the American canon The third in Irwin's trilogy of works on American writers *F. Scott Fitzgerald's Fiction* resonates back through all of his previous writings both scholarly and poetic returning to Fitzgerald's ongoing theme of the twentieth century American protagonist's conflict between his work and his personal life This conflict is played out against the typically American imaginative activity of self creation an activity that involves a degree of theatrical ability on the protagonist's part as he must first enact the role imagined for himself which is to say the self he means to invent The work is suffused with elements of both Fitzgerald's and Irwin's biographies and Irwin's immense erudition is on display throughout Irwin seamlessly ties together details from Fitzgerald's life with elements from his entire body of work and considers central themes connected to wealth class work love jazz acceptance family disillusionment and life as theatrical performance
