## **Enchanted Summer A Romantic Guide To Cape Cod Nantucket Marthas Vineyard:**

*Enchanted Summer* Cynthia Mascott, 2007-06-15 A superb travel guide This book is what travel guides are supposed to be informative interesting and most of all fun Great research and the author s warm writing style make planning a leisurely holiday a pleasant experience Great suggestions for romantic getaways but there s plenty here for the whole family if you really want to bring the kids J Seriena This book made me ache for another visit to the Vineyard The author captures the very essence of the Cape Cod shores and the Vineyard and Nantucket And the charming illustrations add to the call of life at another pace and that life can truly be enjoyed one B it appears everyone and their mother is running an inn on the Massachusetts shore Mascott lets us know how many rooms are available and how they re decorated if you ll have to share a bath what the yard looks like and what to expect for food The listings also rank prices ranging from two dollar signs for inns and hotels that cost less than 100 a night not too many of those to four dollar signs for 200 and up The addition of Web and email addresses are helpful although most places don t have them The restaurants also appear to be plentiful and Mascott has done some yummy research Many of the listings include specific menu items that are good but others are as generic as traditional American food There are a lot of historical tidbits in here locations of the nice beaches good places to ride bikes where to shop etc Pick up this book a few months ahead of your holiday and you ll be able to schedule every minute
