Anthropological Papers of the American Museum of Natural History, 1909 **THE MERCURY WALTZ** Kathe Koja, 2014-08-21 We're pursued by no one now Having fled their comfortably dangerous brothel and theater known as the Poppy Rupert and Istvan have traveled far to land in a city of sepia and silver where they make new allies and settle old grudges Ancient families clash with municipal thugs outside and inside the doors of the Mercury Theatre the home Rupert has always longed for with a stage created for Istvan's wildest tales Kathe Koja's compelling sequel to *Under the Poppy* continues the timeless love and passionate play of its heroes who can never truly escape their past As their lives intertwine with a young blue-eyed fortuneteller a foxy street sharpster and a poet from the provinces come to this city on the brink of combustion the promise of the Poppy is played out to the tune of *The Mercury Waltz* Costuming for Opera Leo Van Witsen, 1994 Profusely illustrated Reproductions of paintings and engravings in the period of a given opera's historical setting illuminate the author's interpretations **Christopher Smart's English Lyrics** Rosalind Powell, 2016-05-23 In the first full length study of Christopher Smart's translations and the place and function of translation in Smart's poetry Rosalind Powell proposes a new approach to understanding the relationship between Smart's poetics and his practice Drawing on

translation theory from the early modern period to the present day this book addresses Smart's translations of Horace Phaedrus and the Psalms alongside the better known religious works such as *Jubilate Agno* and *A Song to David* Five recurrent threads run throughout Powell's study the effect of translation on the identity of a narrative voice in a rewritten text the techniques that are used to present translated texts to a new literary cultural and linguistic readership performance and reading contexts the translation of great works as an attempt to achieve literary permanence and finally the authorial influence of Smart himself in terms of the overt religiosity and nationalism that he champions in his writing In exploring Smart's major translation projects and revisiting his original poems Powell offers insights into classical reception and translation theory attitudes towards censorship expressions of nationalism in the period developments in liturgy and hymnody and the composition of children's books and school texts in the early modern era Her detailed analysis of Smart's translating poetics places them within a new contemporary context and locality to uncover the poet's works as a coherent project of Englishing

Pleasure and Leisure in the Middle Ages and Early Modern Age Albrecht Classen, 2019-08-05 Jan Huizinga and Roger Caillois have already taught us to realize how important games and play have been for pre-modern civilization Recent research has begun to acknowledge the fundamental importance of these aspects in cultural religious philosophical and literary terms This volume expands on the traditional approach still very much focused on the materiality of game toys cards dice falcons dolls etc and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune Whether considering blessings or horse fighting falconry or card games playing with dice or dolls we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time The contributions examine a wide gamut of approaches to pleasure considering health issues eroticism tournaments playing music reading and listening drinking alcohol gambling and throwing dice This large issue was also relevant of course in non-Christian societies and constitutes a critical concern both for the past and the present because we are all *homines ludentes* **Arabian Nights, in 16 volumes**, 2008-12-01 Notorious for the delight he took in tweaking the sexual taboos of the Victorian age as well as the delight he took in the resulting shock of his bashful peers British adventurer linguist and author CAPTAIN SIR RICHARD FRANCIS BURTON 1821-1890 is perhaps best remembered for his unexpurgated translation of the Eastern classic *The One Thousand and One Nights* more famously known today as *The Arabian Nights* Originating in Persian Indian and Arabic sources as far back as the ninth century AD this collection of bawdy tales which Burton was the first to bring to English readers in uncensored form has exerted incalculable influence on modern literature It represents one of the earliest examples of a framing story as young Shahrazad under threat of execution by the King postpones her death by regaling him with these wildly entertaining stories over the course of 1 001 nights The stories themselves feature early instances of sexual humor satire and parody murder mystery horror and even science fiction Burton's annotated 16 volume collection as infamous as it is important was first published between 1885 and 1888 and remains an entertainingly naughty read Volume X which concludes Burton's initial publication of the tales includes *Ma aruf the Cobbler and His Wife Fatimah* Burton's essays on the origins of the tales and other background material appendices and indexes and more **Delphi Collected Works of Sir Richard Francis Burton (Illustrated)** Sir Richard Francis Burton, 2016-11-06 www.delphiclassics.com **The Book of the Thousand Nights and a Night** Richard F.
