Brothers in Arms B.A. Seloaf, 2011-11-15 Eight years have passed since the colony at the hippozones was destroyed and the conflict with the Noori has escalated until the Filpini rulers are forced to admit a full scale war is inevitable Rumpo and Basordan are sent on a hazardous journey to seek an alliance with the people of Indesse while the Filpini soldiers struggle to keep the ever increasing number of Noori away from the border Brothers In Arms is the second volume in B A Seloaf's epic fantasy tale about the hippos of Filpini and their age old fight against the Noori In this book Seloaf takes the story to a new level forcing his characters to deal with the conflicting interests of different nations as well as with internal power struggles Its a compelling tale where the reader is torn between hope and despair and where the most triumphant moment can turn into utter defeat in the blink of an eye

The New Kingdom of Granada Santiago Muñoz-Arbeláez, 2025-04-11 The New Kingdom of Granada tells the history of the making and unmaking of empire in the diverse and decentralized Indigenous landscapes of the Northern Andes Santiago Mu oz Arbel ez examines the intricate and disputed processes that reshaped the peoples and landscapes of present day Colombia into a kingdom within the global Spanish monarchy Drawing on correspondence visitation reports judicial records maps textiles and accounting and legal documents created by Europeans and Indigenous peoples Mu oz Arbel ez outlines the painstaking century long effort between 1530 and 1630 to consolidate the kingdom A diverse group of people that included Indigenous interpreters scribes and intellectuals spearheaded these projects which eventually expanded colonial control outward from its base in the highland Andean plateaus down to the lowland river valleys Meanwhile autonomous Indigenous political projects constantly threatened imperial rule as rebels often encircled the kingdom and seized the corridors that linked it to Spain By foregrounding the kingdom's difficult establishment and tenuous hold on power Mu oz Arbel ez challenges traditional understandings of imperial politics and the myriad ways Indigenous peoples participated in disputed and negotiated the establishment of colonial rule

Forgetting Frederika Amalia Finkelstein, 2023-11-07 Forgetting is a brief but searing sojourn inside the mind of Alma as she navigates the complexity of the past and future within her identity On her nighttime wanderings through a Paris saturated with cultural and historical meaning she begins the slow work of grieving for her grandfather a Holocaust survivor and begins to unravel the ways that his experience continues to reverberate across generations The journey both inward and outward simple and infinitely varied brings Alma to reconsider her whole life and the circumstances that led to her very birth In Forgetting Finkelstein sheds new light on the oldest dilemmas asking What to do with the brief time that is given to us

Kingdom's Edge Chuck Black, 2009-01-16 A Riveting Medieval Parallel to the Bible Good and evil clash Leinad and Cedric are determined to not only survive but claim hope and victory In Kingdom's Dawn Leinad and Tess along with all the king's people must escape slavery by the powerful Lord Fairos Kingdom's Hope finds them free and arriving in the Chessington Valley But when they forget the king will Kergon and the Kessons capture them for good After many years Kingdom's Edge

finds Cedric living a hopeless life until a stranger appears with powerful words of a new kingdom and a grand army Finally Kingdom s Reign marches you through the danger of earth s last days as the evil dark knight threatens to defeat the prince once and for all Swords knights and battles define these captivating tales that parallel biblical events from Genesis to Revelation He was doomed to a life of hopelessness and despair Then the stranger arrived For Cedric of Chessington every day is the same full of poverty and despair And he knows that will never change Or so he thinks Then a stranger comes to the city Drawn to the man s mysterious ways Cedric discovers the stranger s humility belies great strength and wisdom That s when an astounding truth becomes clear the stranger is a Master of the Sword and He is there to train Cedric Suddenly propelled into a desperate battle against evil Cedric must rely on the Master s training if he is going to survive But the ultimate battle is yet to come for the Dark Knight is at work implementing his plan to take over the kingdom Will Cedric be ready to stand in the face of pure evil Journey to Arrethtrae where the King and His Son implement a bold plan to save their kingdom where courage faith and loyalty stand tall in the face of opposition where good will not bow to evil and where hope and compassion are as powerful weapons as the sword DISCUSSION QUESTIONS INCLUDED Story Behind the Book When my six kids eyes glossed over during a reading from the Bible I paused to explain the significance of redemption to a sin sick soul I was rewarded with patronizing elephant nods and more blank stares Shortly thereafter I awoke in the middle of the night with a medieval story enveloping my mind I wrote it down and later read it to my children Their waning attention transformed into complete anticipation I was amazed and disappointed Why did it take a fictional story not a Bible passage to get that response Then I realized that is how Jesus taught Parables are powerful I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind Chuck Black

How, When and Why did Bede Write his Ecclesiastical History? Richard Shaw, 2022-02-17 Bede's Ecclesiastical History is our main source for early Christian Anglo Saxon England but how was it written When And why Scholars have spent much of the last half century investigating the latter question the why This new study is the first to systematically consider the how and the when Richard Shaw shows that rather than producing the History at a single point in 731 Bede was working on it for as much as twenty years from c 715 to just before his death in 735 Unpacking and extending the period of composition of Bede's best known book makes sense of the complicated and contradictory evidence for its purposes The work did not have one context but several each with its own distinct constructed audiences Thus the History was not written for a single purpose to the exclusion of all others Nor was it simply written for a variety of reasons It was written over time quite a lot of time and as the world changed during that time so too did Bede's reasons for writing the intentions he sought to pursue and the patrons he hoped to please or to placate

Kingdoms of Faith Brian A. Catlos, 2018-05-01 A magisterial myth dispelling history of Islamic Spain spanning the millennium between the founding of Islam in the seventh century and the final expulsion of Spain's Muslims in the seventeenth In Kingdoms of Faith award winning historian Brian A Catlos rewrites the history of Islamic Spain from the ground up evoking the cultural splendor of al Andalus while offering an authoritative new interpretation of the forces that shaped it Prior accounts have portrayed Islamic Spain as a paradise of enlightened tolerance or the site where civilizations clashed Catlos taps a wide array of primary sources to paint a more complex portrait showing how Muslims Christians and Jews together built a sophisticated civilization that transformed the Western world even as they waged relentless war against each other and their coreligionists Religion was often the language of conflict but seldom its cause a lesson we would do well to learn in our own time
