Feminist Research Theory and Praxis presents both a theoretical and practical approach to conducting social science research on for and about women The Handbook enables readers to develop an understanding of feminist research by introducing a range of feminist epistemologies methodologies and methods that have had a significant impact on feminist research practice and women s studies scholarship The Handbook continues to provide a set of clearly defined research concepts that are devoid of as much technical language as possible It continues to engage readers with cutting edge debates in the field as well as the practical applications and issues for those whose research affects social policy and social change It also expands on the wealth of interdisciplinary understanding of feminist research praxis that is grounded in a tight link between epistemology methodology and method The second edition of this Handbook will provide researchers with the tools for excavating subjugated knowledge on women s lives and the lives of other marginalized groups with the goals of empowerment and social change **Geography and Social Justice in the Classroom** Todd W. Kenreich,2013-05-02 The

rise of critical discourses in the discipline of geography has opened up new avenues for social justice Geography and Social Justice in the Classroom brings together contemporary research in geography and fresh thinking about geography s place in the social studies curriculum The book s main purposes are to introduce teachers and teacher educators to new research in geography and to provide theoretical and practical examples of geography in the curriculum The book begins with the premise that power and inequality often have spatial landscapes With the tools and concepts of geography students can develop a critical geographic literacy to explore the spatial expressions of power in their lives communities and the wider world The first half of the book introduces new research in the field of geography on diverse topics including the social construction of maps as instruments of power and authority The second half of the book turns the readers attention to geography in the P 12 classroom and it highlights how geography can enable teachers and students to explore issues of power and social justice in the classroom Through critical geographic literacy educators can boldly position themselves and their students as advocates for a more just world *The SAGE Handbook of Gender and Communication* Bonnie J. Dow,Julia T. Wood,2006-07-19 The SAGE Handbook of Gender and Communication is a vital resource for those seeking to explore the complex interactions of gender and communication Editors Bonnie J Dow and Julia T Wood together with an illustrious group

of contributors review and evaluate the state of the gender and communication field through the discussion of existing theories and research as well as through identification of important directions for future scholarship. The first of its kind, this Handbook examines the primary contexts in which gender and communication are shaped, reflected, and expressed: interpersonal, organizational, rhetoric, media, and intercultural/global. Key Features: Brings together the expertise of leading scholars. Esteemed scholars edit each section, and leading researchers in the field author each chapter. The distillation of scholarship in each area by seasoned scholars clarifies what is and is not known in that area of research. Offers historical and theoretical perspectives. Authors discuss the development of gender and communication research during the past three decades and examine the theories, questions, and issues about gender and communication that are ascending to define the next stage of work in the area. Provides comprehensive reference lists. Each section summarizes existing theory and research related to an area of gender and communication scholarship and guides readers to the central works in the field as well as directs future scholarship toward the most urgent, important, and promising topics, methodologies, and/or perspectives.

Women: Images & Realities, A Multicultural Anthology Amy Kesselman, Lily D McNair, Nancy Schniedewind, 2008. This best-selling anthology is a unique introduction to feminism and women's studies. It presents a multidisciplinary collection of academic essays and analyses, personal narratives, and fiction and poetry about women's lives. The selections illustrate the variety of women's experiences, primarily in the United States, considering both commonalities and differences among women and appreciating women's diverse approaches to living and fostering change.

Irish Women's Prison Writing Red Washburn, 2022-11-16. This book explores 50 years of Irish women's prison writing, 1960s-2010s, connecting the work of women leaders and writers in Northern Ireland during the Troubles. This volume analyzes political communiqués, petitions, news coverage, prison files, personal letters, poetry, and short prose, and memoirs, highlighting the personal correspondence, autobiographical narratives, and poetry of the following key women: Bernadette McAliskey, Eileen Hickey, Mairead Farrell, Seol Darragh, Ella O'Dwyer, Martina Anderson, Dolours Price, Marian McGlinchey (formerly Marian Price) and Eibhlín Ní Giolla Easpaig, Ann and Eileen Gillespie, Roseleen Walsh, and Margaretta D'Arcy. This text builds on different fields and discourses to reimagine gender and genre as central to an interdisciplinary and intersectional prison archive. Centering Irish women's prison writings in order to challenge canonization in history and literature, this volume argues that women's lives and words offer a different view of gender and nation, as well as offer a fuller and more inclusive archive of Irish history and literature. Additionally, this book will point to the ways in which their politics of everyday life and their cultural work is a form of anti-colonial civil rights feminism, for it speaks truth to power in a world in which compliance and silence are valued. Overall, this text focuses on rethinking and recasting women's voices and words in order to document and promote the ongoing Irish freedom struggle from an abolitionist feminist perspective.

Teaching Political Science and International Relations for Early Career Instructors Michael P. A. Murphy, Misbah Hyder, 2024-12-01. In doctoral programs, graduate students are often

encouraged to prioritize their research over teaching This leads many early career scholars to identify primarily with the role of researcher This edited collection introduces the term early career instructor ECI as a novel concept in understanding the experience of graduate students postdoctoral fellows early tenure track contingent faculty and other scholars early in their teaching careers Including a diverse array of authors this volume brings together essays on ECI experiences in different institutional and national contexts as well as reflections on current practices for ECI support and mentorship At a higher level this volume is also a call to action to recognize the importance of teaching in the early career stage
