Encountering God Christian Faith In The Turbulent Times:

Encountering God Andrew Purves, Charles Partee, 2000-01-01 Purves and Partee discuss theology's relevance to personal life and Christian faith from an evangelical perspective and through the lens of the Reformed tradition. Encountering God focuses on basic issues of Christian faith as they are filtered through contemporary experience: the merits of doctrine, God, Jesus, faith, justification, sanctification, salvation, sin, predestination, lamentation, hope, and joy. **T&T Clark Handbook of**

Thomas F. Torrance Paul D. Molnar, Myk Habets, 2020-02-20 This handbook explores Thomas F. Torrance's importance in modern theology with each contribution bringing Torrance's deep and nuanced insights to a broad range of contemporary theological concerns. The contributors to this volume present cutting-edge Torrance scholarship for a new generation which will enable readers to see the timely significance of Torrance for today. Comprising both contexts and dogmatics, these essays not only introduce key themes in Torrance's extensive published writings including his work on the Trinity, ecumenism, incarnation, atonement, and eschatology but also provide fresh interpretations fully conversant with theological problems facing the church in the world today. Designed as both a guide for students and a reference point for scholars, this handbook thoroughly explores the frameworks of key debates related to Torrance's theology while also suggesting fresh interpretative strategies concerning his thought.

Reconstructing Pastoral Theology Andrew Purves, 2004-01-01 In Pastoral Care in the Classical Tradition Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal: the fiefdom of psychology and the social sciences. He builds further on this idea here, presenting a christological basis for ministry and pastoral theology.

Evangelical Calvinism Myk Habets, Bobby Grow, 2012-06-08 In this exciting volume, new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today's world. Evangelical Calvinism represents a mood within current Reformed theology. The various contributors are in different ways articulating that mood, of which their very diversity is a significant element. In attempting to outline features of an Evangelical Calvinism, a number of the contributors compare and contrast this approach with that of Federal Calvinism, currently dominant in North American Reformed theology, challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology. This book does not, however, represent the arrival of a new Calvinism or even a neo-Calvinism; if by those terms are meant a novel reading of the Reformed faith, an Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots. The editors have picked up the baton passed on by John Calvin, Karl Barth, Thomas Torrance, and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos. This volume promises to set the agenda for Reformed Calvinist discussion for some time to come.

Trinitarian Doxology Kevin J. Navarro, 2023-01-26 Liturgical theology tends towards the anthropocentric, focussing primarily on the behaviour of the worshippers. The theology of Thomas F. and James B. Torrance, however, provides an

alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In Trinitarian Doxology Kevin J Navarro examines the Torrance's theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding

Evangelical Calvinism Dr. Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike

A Call to Christian Formation John C. Clark, Marcus Peter Johnson, 2021-07-20 This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world Christian formation is incomplete and impossible without theological formation because Christ transforms our hearts and minds attuning them to the reality of God As the authors explore the deep connections between theology and the life of the Christian they emphasize Christian formation as a defining feature of the church arguing that theology must be integrally connected to the church's traditions and practices

Pastoral Theology in the Classical Tradition Andrew Purves, 2001-01-01 Purves proposes a thoughtful reading of early classical texts to provide insight into contemporary pastoral work

These Pastor Robby Stewart,2022-04-06 No one would have ever imagined that the COVID 19 pandemic and the results of it would have continued as long as it has What was once thought to be just a brief interruption to our normal way of life continued on through the summer of 2020 and well into 2021 On top of all the chaos of stay at home orders mask wearing and no large gatherings we entered into a time of conflict with riots no law and order in some cities and violence that led to death at what was to be a peaceful protest Then after the fallout of an unprecedented election culminating in the Capitol riots for the first time many Americans felt like this was becoming the new normal In this book In Times Like These I addressed these issues with our church from a biblical perspective through daily Facebook posts It was a means of keeping our congregation patient focused and prayerful during these times Not only were these writings timely for present crises but they are also timely for any other future crises that our nation may be confronted with and for personal crises as well

Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown's *The Da Vinci Code* The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives *Faith and Fiction* examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now
