## **Encountering Jesus How People Came To Faith And Discover Discipleship:**

**Encountering Jesus** Anthony J. Gittins, 2018-02-13 In sixteen short but perceptive commentaries Anthony J Gittins recounts the experiences of various women and men from the New Testament insiders and outsiders people of substance and people regarded as sinners whose lives were changed by an encounter with Jesus Based on solid biblical scholarship but retold in language accessible to all and illuminated by the author's fresh perspective these stories emphasize the way in which people come to faith and discover discipleship Encountering Jesus presents New Testament figures in a new light and is perfect for both group study and personal reflection Among the discipleship stories included are the healing of the paralytic from the Gospel of Mark the healing of the Canaanite woman's daughter from Matthew the conversion of Zacchaeus the tax collector from Luke and the healing of the man born blind from John Anthony J Gittins writes Typically the stories demonstrate that there are often a number of stages or steps involved The easiest way to identify them is to notice exactly what each person says and in what sequence during his or her encounter with Jesus With the rare exception of someone immediately identifying Jesus with God most people are a little slower Readers may look out for a three step or four step approach to faith as a person moves to an even more specific identification of Jesus It is an interesting enlightening and sometimes surprising exercise

Gittins CSSp,2018-02-13 The gospel tells us to look into other people s eyes as we search for an image of God to help us work for healing justice amid the rubble and the memories that litter our lives to rebuild a human world on the debris of broken dreams and to commit ourselves as God does to restoring communities so that there will be no more estrangement no more strangers and no more aliens It is only a little less than impossible and the only way we can do it is to learn to love the world as God already does It s simply not possible to love in theory we must go further than that We must love in practice We must practice in love That is the disciple s call Called to Be Sent develops and completes the theology of discipleship introduced in the author s previous books This new volume focuses on sending forth the phase that follows our radical encounter with humanity Here we find the hope and strength to move from an understanding of mission to actually being commissioned by Jesus In short as Christians we are gathered for scattering and called to be sent and this book provides much direction

**World Mission** Scott N. Callaham,Will Brooks,2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to World Mission a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries Called to Be Sent Anthony J. W. Watson, Martin M. Culy, 2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In The Making of a Disciple Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers

**Lord, Disciple Me** Richard Mull, 2005-04 Jesus commanded all of his disciples to go and make disciples of all nations This book dares you to examine how Jesus Himself made disciples What is discipleship according to Jesus Can the church today possess the power of the early church Does God still use His people to heal the sick Are miracles and deliverance still part of Jesus disciple making agenda Richard Mull s honest account of his personal journey toward biblical discipleship presents a dilemma for twenty first century believers Will you adopt a system of belief that explains why we disciple

differently than Jesus did or admit that in spite of our education and experience we may not be making disciples according to Jesus teaching God desires to take you on a journey much like that of Jesus first disciples who learned to do what Jesus was doing by observing Him in action and obeying what He taught Lord Disciple Me will challenge you to develop a biblical foundation for your journey Jesus will provide the hand on experience [Help from Heaven](#) Randal A.

Wiedemann,2016-01-19 The theme in this book is that heaven is for those now alive Instead of self help we need God help When Jesus prayed on earth as it is in heaven He was giving us a solution to earthly problems In heaven there are no burdens as we know them There are no personality disorders no interrelationship problems or feuds no disease no sense of tragic sadness In fact heaven is the blueprint for perfection in every aspect of life on earth Without spoiling the punch line this book is about receiving help from heaven in a way that will remove obstacles in your path so that you do not have to continually face the same problems over and over again Only God can change our hearts and help us fix our problems at the deepest level This change is quickened as we spend time in His presence and believe that God is able to overcome our problems The challenge we have is waiting in His presence and believing This book will give you tips on how to access help from heaven that is available for you right now Your help from heaven can be instantaneous or it can take years The time required for you to receive your help depends on you Heaven is ready right now and Christ has done all that is required to set you free from your trouble However your problem may have taken years to develop Getting out of it so that it doesn't return to foil you the same way again may take some time too What does that say It says that we must never quit and never give up In preparing to read this book you may want to pray something like this Lord God I desire to enter Your presence Please open the eyes of my heart and let Your love and truth penetrate my mind body soul and spirit May Your hand guide me and Your Spirit resonate within me as I read this book Give me Your message and Your words Thank You for interceding in my life with help from heaven Amen

origin in the mission of the Son and the Holy Spirit is of monumental importance In *The Way of Discipleship* theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations Gittins explains that Christian discipleship must be the living out of Jesus own example in many different times and places He encourages people of all ages to follow the invitation of Jesus to be missionary disciples *The Way of Discipleship* explores several New Testament examples of Jesus call and commissioning distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today In this way Gittins builds up a picture both of the Way of Jesus himself and of the way in which today s disciples can loyally follow his call to mission
