Encountering Miranda:

Encountering Miranda John Scepanski, 2000 Encountering Heaven and the Afterlife James L. Garlow, Keith Wall,2010-08-01 What happens when we die What is heaven really like How do spiritual beings angels and demons interact with us here and in the hereafter Real life credible stories of near death experiences and spiritual encounters gathered by the authors of Heaven and the Afterlife paint a clearer fuller picture of exactly what readers can expect when it s their turn to cross over These gripping true stories written from a solidly biblical perspective but accessible to seekers provide fascinating glimpses into the spiritual world around us and the one that awaits us *Literature and Weather* Johannes Ungelenk, 2018-02-19 Literature and Weather Shakespeare Goethe Zola is dedicated to the relation between literature and weather i e a cultural practice and an everyday phenomenon that has played very different epistemic roles in the history of the world The study undertakes an archaeology of literature s affinity to the weather which tells the story of literature s weathery self reflection and its creative reinventions as a medium in different epistemic and social circumstances The book undertakes extensive close readings of three exemplary literary texts Shakespeare's The Tempest Goethe's The Sufferings of Young Werther and Zola's The Rougon Macquarts These readings provide the basis for reconstructing three distinct formations negotiating the relationship between literature and weather in the 17th the 18th and the 19th centuries The study is a pioneering contribution to the recent debates of literature s indebtedness to the environment It initiates a rewriting of literary history that is weather sensitive the question of literature s agency its power to affect cannot be raised without understanding the way the weather works in a certain cultural formation **Spanish Romance in the Battle for Global Supremacy** Victoria Muñoz, 2021-01-19 Did Spanish explorers really discover the sunken city of Atlantis or one of the lost tribes of Israel in Aztec M xico Did classical writers foretell the discovery of America Were faeries and Amazons hiding in Guiana and where was the fabled golden city El Dorado Who was more powerful Apollo or Diana and which claimant nation Spain or England would win the game of empire These were some of the guestions English writers historians and polemicists asked through their engagement with Spanish romance By exploring England's fanatical consumption of these tales of love and arms as reflected in the works of Edmund Spenser William Shakespeare John Dryden Ben Jonson and Peter Heylyn this book shows how the idea of English empire took root in and through literature and how these circumstances primed the success of Miguel de Cervantes s Don Quixote of la Mancha in England Shakespeare's Cross-Cultural Encounters Geraldo U. De Sousa, 2016-01-13 In this highly entertaining study De Sousa argues that Shakespeare reinterprets refashions and reinscribes his alien characters Jews Moors Amazons and gypsies In this way the dramatist questions the narrowness of a European perspective which caricatures other societies and views them with suspicion De Sousa examines how Shakespeare defines other cultures in terms of the interplay of gender text and habitat Written in a provocative style this readable book provides a wealth of fascinating information both on contemporary stage productions and on race and gender relations in

early modern Europe Encounters with Autistic States Theodore Mitrani, Judith L.
