Encountering Christ Workbook Sophia Institute for Teachers,

Encountering Jesus Cornelis Bennema, 2014 Applying a comprehensive theory of character to the Gospel of John Cornelis Bennema provides a fresh analysis of the characters and their responses to Jesus While the majority of scholars view most Johannine characters as flat Bennema demonstrates that many are complex developing and round Johns broad array of characters correspond to people and their choices in real life in any culture and time This book highlights how Johns Gospel seeks to challenge its readers about where they stand in relation to Jesus

Reborn Clayton King, 2020-05-05 In our self help DIY culture we love the idea of improvement We make over wardrobes and restore houses and commit ourselves to better habits But we re still left feeling empty and not quite enough

That's because what we need is not an upgrade but a complete upending of our lives. We need to be reborn. And it's not something we can do by ourselves. With deep compassion, Clayton King shares the compelling stories of 12 broken people who came face to face with Jesus in the New Testament and got a second chance at life. A respected religious leader, an ostracized woman, a despised embezzler, a condemned thief, all of them flawed, sinful, full of regret, encountered Jesus and were never the same. Along with their stories, King shares contemporary stories of people struggling with addiction, lust, greed, and depression, showing that Jesus still meets people right where they are and changes them from the inside out. If you're tired of going through the religious motions by your own power and long to experience the radical life and heart change that Jesus promised, it's time for an encounter with Jesus. It's time to be reborn. *Encountering Jesus* Zan W. Holmes, 1992

Encountering Jesus Vincenzo Peroni, 2020-03-03 Whether you have made a pilgrimage to the Holy Land or have always wanted to walk where Jesus walked, this book offers a rich experience of the many sites associated with Gospel events. Monsignor Vincenzo Peroni takes pilgrims on an unforgettable tour of the most important sites in the Holy Land through beautiful guided meditations, probing questions, and sensitive prayerful reflections. Eighteen original watercolor drawings by Alessandro Alghisi capture the beauty and sacredness of these places. Each chapter also contains Scripture texts that set the scene. **Encountering Jesus, Encountering Scripture** David Crump, 2013-05-26

Personal experiential faith is seldom given a seat at the table of academic theology and biblical studies. David Crump, however, with the assistance of Søren Kierkegaard's religious philosophy, claims that authentic understanding and thus authentic Christian commitment can only arise from the personal commitment that is faith. Examining the various biblical, historical, cultural, theological, and academic hurdles demanding a truly Kierkegaardian leap of faith, before one can meet the resurrected Jesus, Crump's *Encountering Jesus: Encountering Scripture* provides a very insightful discussion of key New Testament texts and issues, revealing how Truth is discovered only through the subjectivity of faith. *Encountering Jesus: Leader's Guide* Evangeline Carey, 2010 This Leader's Guide will enable both the experienced and novice group leader to help adults review and apply the material found in *Encountering Jesus: A Life Changing Look at the Son of God*. While both the book and the study guide can be used in independent devotions and studies, this manual will help make the Bible learning experience even more meaningful as participants discover the joys of fellowship and acquiring insight in group settings. *Encountering Jesus* Anthony J. Gittins, 2018-02-13 In sixteen short but perceptive commentaries, Anthony J. Gittins recounts the experiences of various women and men from the New Testament, insiders and outsiders, people of substance and people regarded as sinners whose lives were changed by an encounter with Jesus. Based on solid biblical scholarship but retold in language accessible to all and illuminated by the author's fresh perspective, these stories emphasize the way in which people come to faith and discover discipleship. *Encountering Jesus* presents New Testament figures in a new light and is perfect for both group study and personal reflection. Among the discipleship stories included are the healing of the paralytic from the Gospel of Mark, the

healing of the Canaanite woman's daughter from Matthew the conversion of Zacchaeus the tax collector from Luke and the healing of the man born blind from John

Anthony J. Gittins writes Typically the stories demonstrate that there are often a number of stages or steps involved The easiest way to identify them is to notice exactly what each person says and in what sequence during his or her encounter with Jesus With the rare exception of someone immediately identifying Jesus with God most people are a little slower Readers may look out for a three step or four step approach to faith as a person moves to an even more specific identification of Jesus It is an interesting enlightening and sometimes surprising exercise

Encountering Jesus in Revelation Ben Boeckel, 2024-02-07 Is Revelation really worth the effort Does its message resonate with followers of Jesus in the here and now Encountering Jesus in Revelation offers pastors and laypeople an accessible tool for studying Revelation within the local church It situates Revelation in its ancient context while stressing how its apocalyptic nature addresses God's people at every point in history including our own It does this by introducing apocalyptic writing as a form of literature and then surveys the alternative perspective Revelation offers on the world of its readers That perspective is one in which we encounter Jesus and his call to leave behind the often unrecognized beasts and monsters that inhabit our world Readers who find themselves reluctant to study Revelation because of the confusing nature of its contents and of academic books written about it will find that Encountering Jesus in Revelation offers accessible and applicable insights as it explores how Revelation addresses its readers today

Encountering Jesus in the Scriptures Daniel J. Harrington, Christopher R. Matthews, 2013 Bible What does current New Testament research have to say to people today Daniel Harrington and Christopher Matthews present these essays of contemporary scholarship on Jesus as we know him through the scriptures This timely collection invites the reader into a deeper relationship with Jesus Book jacket
