A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B. Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley's preface During some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden's works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B. Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that

already significant lifework **Gift of St. John Paul II, The** Cardinal Donald Wuerl, 2013-10-22 Celebrate the upcoming canonization of John Paul II with The Gift of Saint John Paul II In this book Cardinal Donald Wuerl Archbishop of Washington captures the vision that John Paul had for the Church and the world Cardinal Wuerl is known for his gift of teaching the faith and in this book he explores the spiritual and pastoral wealth of John Paul's writings as found in his encyclicals and apostolic exhortations The Cardinal unfolds these treasures for us presenting not only St John Paul's teachings but also showing us how we can apply them in our lives Formerly available as The Gift of Blessed John Paul II This is a profoundly spiritual deeply theological and engagingly pastoral presentation of the faith of the Church the gospel imperative and its implications and applications to the circumstances of our lives Cardinal Stanislaus Dziwisz Archbishop of Krakow Poland and Personal Secretary to Pope John Paul II When Christ Comes and Comes Again Thomas F. Torrance, 1996-11-26 It is one of the principle tasks of the theologian in each generation to bring the preaching of the church to the bar of the word of God and to test its adequacy as a faithful presentation of the message and teaching of the New Testament If this book can help evangelists to rethink the content of their proclamation in order to let the Word of God have free course in their ministry it will amply serve the purpose of its publication From the author's Preface **Live the Story not the Dream** Jackie L. Smallbones, 2016-08 Live the Story not the Dream is about prayerfully and creatively entering the Story of Scripture through its many little stories in such a way that meaningful encounters with God in Christ are experienced and we learn to live life narrated by the Story of Scripture rather the fads of today's world **Bread of Life** Louis J. Cameli, 2012 Bread of Life Exploring the Presence of Eucharist in Our Lives by Fr Louis Cameli focuses on the role that the Eucharist takes in Catholic life Fr Cameli gives a personal account of the role of the Eucharist in his own life explores what Jesus wanted to give us when he gave us the Eucharist by considering chapter six of John's account of the Gospel and considers central human questions through the lens of the Eucharist Reflection questions are included so that readers may reflect on the book on their own or in discussion with others *Encounter Jesus!* Peter M. Doane, 2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven Encounter Jesus Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the

rebuilding of the Notre Dame Cathedral may this book serve as a blueprint for transformation in the culture of the church
